Dear Sir, -- Your Dr. Morse's Indian Root Pills are the best selling pill in the market. This is a fact. I speak with knowledge on the subject, as I have been dealing in various kinds of pills and sell more of Morse's than any other. If any one does not believe this, I ask him to write any of my customers about it, or better still, I ask him to try a box and see if he will then use any other. I hope I may always have them. Yours gratefully,

H. M. G. BARRY.

WATSON, ARMINGTON & CO.,

Once secured is of priceless value to a store. It is the mainspring of success, and attracts a patronage (not spasmodic) but steady and continuous. We think we have won the confidence and favor of the people of Winnipeg in our effort to supply them with judiciously selected merchandise, desirable and reliable in character, which we always sell at prices less than are often quoted on goods of questionable age and style.

When we think a reduction of prices necessary to move certain merchandise quickly, we take the loss cheerfully and consider the advertising gained through the low prices

We have made some of these reductions in the different departments and will continue it for two weeks only. It will be your loss if you do not avail yourself of this Golden Opportunity.

Our stock is full of novelties for the holidays. Another lot of silks for evening wear just in, and at rock bottom prices.
