## MISCELLANEOUS.

The best liquid for cleaning old brass  
is a solution of oxalic acid.

Hundreds of people write: "It is impos-  
sible to describe the good Hood's Sarsaparilla  
has done me." It will be of equal help to  
you.

A pinch of soda added to sour fruit  
will take away much of the tartness and  
make much less sugar necessary for  
sweetening.

"My Optician," of 159 Yonge St., has no  
doubt as fine a set of testing instruments for  
the eyes as are anywhere to be found and they  
should be tried by every one with defective  
sight. Examination free.

### Build Up.

When the system is run down, a person be-  
comes an easy prey to Consumption or Scro-  
fula. Many valuable lives are saved by using  
Scott's Emulsion as soon as a decline in health  
is observed.

The Dyak head hunting has a relig-  
ious origin. The Dyak believes that  
every person he kills in this world will  
be his slave in the next.

### VERY VALUABLE.

Having used B. B. B. for biliousness  
and torpid liver, with the very best re-  
sults, I would recommend it to all thus  
troubled. The medicine is worth its  
weight in gold.

TILLIE WHITE, Manitowaning, Ont.

There is now every reason for be-  
lieving that the great canal from Liv-  
erpool to Manchester will be complet-  
ed within the present year.

### FROM THE FAR NORTH.

In northern climates, people are  
very subject to colds, but the natural  
remedy is also produced in the same cli-  
mate. Dr. Wood's Norway Pine Syrup  
cures coughs, colds, hoarseness, asthma,  
bronchitis, and all throat and lung trou-  
bles. Price 25c. and 50c.

In China white is the colour of mourn-  
ing; in Egypt, yellow; in Turkey, vio-  
let; in Ethiopia, brown; in Europe dur-  
ing the Middle Ages, white.

### B. B. B. STOOD THE TEST.

I tried every known remedy I could  
think of for rheumatism, without giv-  
ing me any relief, until I tried Burdock  
Blood Bitters, which remedy I can high-  
ly recommend to all afflicted as I was.  
HENRY SMITH, Milverton, Ont.

There is nothing better for cleaning  
copper kettles than powdered borax and  
soap. Wet a coarse cloth in hot water,  
soap it well, and sprinkle over it the  
powdered borax.

### HIGHLY PRAISED.

Gentlemen,—I have used Hagyard's,  
Yellow Oil, and have found it unequalled  
for burns, sprains, scalds, rheumatism,  
croup and colds. I have recommended  
it to many friends, and they also speak  
highly of it.

MRS. HIGHT, Montreal, Que.

Interesting experiments have recently  
been made with the new tents which  
the soldiers carry with them. The end  
in view, is to make the tents, or rather  
their cloth, serve to construct ferry-  
boats for the soldiers' baggage. The  
importance of this military novelty for  
actual war is too great to be over-  
looked.

### SUMMER WEAKNESS

nervous prostration are driven away by Hood's  
Sarsaparilla, like mist before the morning sun.  
To realize the benefit of this great medicine,  
give it a trial and you will join the army of en-  
thusiastic admirers of Hood's Sarsaparilla.

first trial was made of them at the

extended use is now contemplated.

The whaling industry has fallen off  
so much as to play but a small part  
in the world's commerce. The latest  
figures obtainable show the production  
to average between 15,000 and 20,000  
tons of 252 gallons each per year. There  
are two kinds of whale oil, the sperm,  
taken from the head of the cacholot or  
sperm whale, and train oil, which is de-  
rived from the common whale, or, as it  
is more commonly known, the right  
whale. Sperm oil is worth from \$450  
to \$500 per ton, and the ordinary train  
oil about \$200.—Chicago Herald.
