Horn of Africa	Citizen Diplomacy on Arms Reduction	A series of workshops and research involving local civil society and government leaders with a focus on the reduction of arms flows in the Horn of Africa region. The discussions allow ordinary citizens to have a voice in the peace process. In addition to meetings of local civil society organizations, action-research is undertaken in areas of interest to the participants with a view to developing possible solutions to the region's problems.	Project Ploughshares
Algeria	Peacebuilding & Child Trauma Counselling in Algeria	Training of mental health professionals in Algeria to assist children traumatized by the conflict. Also aims to promote the concept of "children as a zone of peace" and the development of a consensus to spare children from the impact of conflict.	CECI
Burundi	Conflict Resolution and Prevention Training	Series of training sessions on conflict resolution techniques for civil society organizations at the community level (women, church groups and youth). This project allowed civil society organizations with a demonstrated interest in peace to be trained in conflict resolution techniques.	Centre d'Études et de Coopération internationale
Great Lakes	UN Mediation Mission	The UN appointed a Special Representative jointly with the Organization of African Unity in order to negotiate a peaceful resolution to the crises in the Great Lakes region of Africa. The Representative focussed mainly on the Democratic Republic of Congo in the early part of 1997 and on Congo-Brazzaville later in 1997.	UN Dept. for Political Affairs (UNDPA)
Great Lakes	Communication & Dialogue: Networking & Training for Civil Society Leadership	A series of networking activities (e.g., workshops, electronic exchanges) and training activities (mostly in conflict resolution techniques) are being conducted in the problem areas of the Eastern Democratic Republic of Congo and Rwanda. Some direct mediation between civil society organizations is being conducted under this program. Also, best practices in the area of inter-group peaceful coexistence are being diffused.	Synergies Africa
Democratic Republic of Congo	Civil Society's Regional Seminars	Seminars by civil society groups at the regional level to discuss the future of the DRC.	Synergies Africa
Democratic Republic of Congo	Support to the Government Machinery	Technical advice to the new government through Canadian consultants to help the central bank and ministries set their priorities and establish procedures in financial areas. The area of priority for the government is the co-operative movement in banking.	Société Internationale Desjardins
