Dear Dr. Gibson:-

I have your letter of the 25th and note that our Graduate Society in New York would like to hold their Annual Dinner in March.

It so happens that I am going to New York tomorrow night for the purpose of speaking to John D. Rockefeller Jr.'s Bible Class on the night of the 2nd. On Friday I have an appointment with the Carnegie Foundation people and I must leave there Friday evening on account of engagements here on Saturday.

I am also going to New York on the evening of the 20th to fulfil an engagement at the University of Pennsylvania on the evening of the 21st and at the Washington Birthday Exercises on the 22nd. Would it be possible to meet the Graduate Society on the latter occasion? I cannot tell you how extremely busy one is here and I would prefer to meet the graduates in three weeks time than to go down again in March.

With all good wishes, I am,

Yours faithfully,

Principal.
