VICTORIA, B. C.

heard of the appeal. When convenient will you please send us your cheque for \$1000 for the Benevolent Fund of Grand Lodge?

We want every member to feel a personal interest in this Charity work, thus the appeal to all for a small amount rather than to a few for larger sums.

You will hear with great regret I am sure, of the serious illness of our old friend Howard Russell. He is in Jubilee Hospital, facing an operation for a deep seated tumor of some sort in his left chest & shoulder, near his heart. At this writing it looks very grave for him. Myself & fellow workers with very best wishes to both yourself & yourself believe me sincerely & affectionately,
Wallace S. Terry
