FACULTY OF LAW  
ROBERT W. LEE, M.A., D.C.L., K.C.  
DEAN

746 UNIVERSITY STREET  
TELEPHONE: UPTOWN 5920

Extract from the minutes of the Faculty, 14th September, 1920:—

The Faculty again discussed the question of an appointment to the new Chair of Constitutional Law. After prolonged consideration the following <sup>resolution</sup> ~~motion~~ was adopted on the motion of Professor Marler, seconded by Professor Surveyer:—

"In view of the recommendation of Dean Lee the appointment of Dr Mackay as Professor of Constitutional Law is approved by this Faculty. At the same time the Faculty desires to draw the attention of the Governors to the difference between the remuneration offered to Dr Mackay and that received by the Civil Law Professors, since this difference will tend to make more difficult the replacement of Civil Law Professors as future vacancies occur."

Professor Howard desired that his dissent from the resolution should be recorded ~~upon~~ the ground:—

"That the teaching of the Civil Law has not yet been sufficiently strengthened to warrant the appointment of another Common Law Professor."

There were present at the meeting:—The Acting Dean, Professors Marler, Howard, Surveyer, Smith, and Martin.
