LITTLE INTEREST IN GRAFT CHARGES

St. John, N.B., Shows Surprising Apathy in View of Serious Allegations.

Canadian Press Despatch. ST. JOHN, N.B., June 5.—There seems to be an extraordinary lack of public interest in this city in the investigation which was begun yesterday by the royal commission appointed to enquire into the charges of corruption made against Hon. James Kidd Fleming, premier of New Brunswick.

While the opening proceedings were purely formal the fact that the courtroom was almost entirely empty was striking. Premier Fleming is charged under three heads, as follows: Unlawful extortion by Premier Fleming of about \$100,000 from the holders of timber limits in the province. The money is alleged to have been secured thru the agency of Wm. H. Berry, chief lumber agent of the province, diversion from its proper channel of a large amount of the amount of the money paid by the provincial government to the St. John and Quebec Railway Company; compulsion on contractors under the St. John and Quebec Railway Co. to pay sums of money to Premier Fleming before they obtained their contracts.

A similar charge is made against H. F. McLeod, formerly the provincial secretary. Premier Fleming flatly denies the charges and says they do not worry him. He says the charges are chiefly personal, and that he has no intention of resigning. The commissioners will begin taking evidence on June 16.

Baseball, as a national pastime, has many followers. A group view in this week's issue of The Sunday World will show that the Canadian League at Toronto has some famous fans. A reference to the picture will show Sir James Whitney, Ontario's premier, and a group of his colleagues, taken at the opening game. The Sunday World is for sale by all newsdealers and newsboys.

BEECHBOROUGH GRANGE

THE prospect of large, immediate profits is bringing out millions of dollars from their hiding places in the West. People fought, and are still fighting to invest their money in oil enterprises which, in nine cases out of ten, will not net as high or as quick returns as good Toronto real estate, where every dollar wisely invested brings splendid returns, if one invests with care and foresight. Successful investors see beyond to-day's conditions. Standing in Beechborough Grange, for instance, they have a mental picture of the street after street of happy homes that, during the next year or so, must be erected here to house the many workers in the adjoining factories. One begins to comprehend the enormous importance of Beechborough Grange, now selling at

Keele Street and Eglinton Avenue

Beechborough Grange is situated at the junction of two very important thoroughfares, Keele Street and Eglinton Avenue. It is surrounded by properties that have sold at much higher prices—one in particular, a stone's throw further west, selling at \$30 a foot. As the illustration shows, Beechborough is "just a span" from the factories of the West End. It is logically the spot where workers in these factories must look for their homes.

The terms are such as are suited to the man or woman of moderate means who is ambitious to share in the profits made by wealthier investors—\$10 down, \$5 a month. No desirable investment can be obtained on easier terms.

ELECTRICITY IS THE REMEDY OF TO-DAY

Nature's Cure for Nervous Ailments

So many people are suffering from nervousness, or ailments caused by nervousness, and try to cure these troubles by dosing their stomachs with drugs. It is as impossible as it is to put out a fire with oil. When you take a drug to cure a nervous ailment you only aggravate the trouble, and cause it to become chronic. Drugs will soothe the nerves for a few hours by stupefying them, but the trouble returns worse than ever just as soon as the stupefying wears off.

Nature will cure you if you will give her the right kind of assistance. The reason your nerves are weak is because they are not properly fed. I don't mean that you don't eat enough. Nerve food is a force that comes from electricity. When your supply of bodily electricity has become depleted the nerves do not get the proper nourishment, and various complications result.

The only way to cure nervous troubles is to restore this electricity. You can't get nourishment from poison, that's why drugs don't help you. Dr. McLaughlin's Electric Belt fills the nerves with electric life while you sleep. They drink in the force, just as a sponge absorbs water, and convey it to every organ, giving health and strength to every ailing part.

Mitchell's Bay, Ont.
Dr. McLaughlin: Dear Sir,—I wish to say that I think I can honestly say that I am cured. I am perfectly satisfied with the results of wearing the Belt. Before using it I could not go more than two weeks without medi-

cine of some kind, and I often wondered if the time would ever come when I could stop taking it. Now I have not taken a drop of medicine for the last three months, and I do not need it, either. I have no more headaches or distress after eating, or coic. I can eat anything in the line of food with no bad effect.

Yours truly,
ANGUS MCKENZIE.

COLLIER'S CAPTAIN GETS SYMPATHY

Public Opinion Has Veered Somewhat From Support of Capt. Kendall.

Canadian Press Despatch. MONTREAL, June 5.—No further developments in connection with the disaster to the Empress of Ireland have come to light within the past 24 hours. The public has settled down to await with patience the official investigation that is to be begun on June 18 with Lord Mersey as chairman of the commission of enquiry, the individuals continue to discuss the divergent statements about the shipwreck made by Captain Kendall of the Empress and Captain Andersen of the Storstad.

Some of the sympathy that was spent on Captain Kendall at the outset has since been diverted to Captain Andersen and the latter has many supporters here.

ODORS DEPRECIATE PROPERTY VALUES

Smells in ward seven were considered just cause or reason why many properties should be reduced by the court of revision yesterday, altho the ominous threat of an exodus of residents from the ward as a consequence of the odors was scouted by the court. Mr. Smythe secured practically no cuts in the assessments of his 19 properties. Aid. Ryding successfully pleaded for reduction of 18 of his properties and obtained similar favors for Mrs. Best-Rice Hewitt.

A Roberts secured a cut of \$150 on the assessment of his home, which represents the savings of 27 years.

Many others were treated generously by the court.

PASSENGER SERVICE SOON.
The C.P.R. expect to inaugurate a passenger service via the south shore line to Montreal before the close of this month. A freight service is already in operation and the putting in operation of the passenger service is now only a matter of a few weeks' time.

PREFERRED DOG TO MONEY.
May Manser paid a fine of \$5 in the afternoon police court yesterday rather than lose her dog. John Clement complained of the biting habits exhibited by the dog and the Humane Society had ordered its destruction. The lady was given the choice of paying fine by the magistrate or of losing the dog.

PREMIER WOULD PUT C. P. DIRECTORS ON TRIAL.
Canadian Associated Press Cable. SYDNEY, Australia, June 5.—Premier William A. Holman of New South Wales, whose comments on the loss of the Empress of Ireland have given rise to much criticism, denies that he prejudged the official enquiry, when he intimated that the government ought to prosecute the directors of the C. P. R. as accessories of manslaughter. Today the premier said: "The fact that the commercial men who agreed to send the public of Canada to Europe did in fact, send them to the next world is sufficient to put them on trial."

AGED RESIDENT DEAD.

KINGSTON, June 5.—One of the oldest residents of Eastern Ontario died yesterday in the person of Mrs. Francis Kirkey, aged 101. She was born near Tyolown, Glengarry County, her maiden name being Rose Tye. She spent her whole life in this section. Two weeks ago she and her husband, who is 103 years of age, lost their dwelling by fire and both had to be carried out of the burning house.

TAKE YOUR TROUBLES TO THE MINISTER.

Two neighbors' squabbles were aired in the police court yesterday and the magistrate dismissed them by advising the parties to visit the minister of the church. Charles Gatto said that he had not assaulted Mrs. Mary Cattalini, but had only told her to shut her mouth, while in the second case Mrs. White declared that she had only taken Birdie Beattie by the arm because she had said that the accused lady was drunk.
