Public Laboratories Needed.

"As I pointed out last year there should be public lavatories thruout Ward 6, where vacant stores and houses are freely used in winter as conveniences for carters and others who are without accommodation. The underground style is the proper thing, not like the lavatories on Dundas street for instance.

"We should have cluster lights on St. Clair avenue in the business sections, and I will do my best to secure them I would also try to have shelters built where they are badly needed on the civic car lines. At present passengers have to stand unprotected in cold and rainy weather where there are no stores in which to wait.

DIES IN POLICE CELL

Member of Eighty-Third Battalion Taken Into Cowan Ave. Station Earlier in Evening.

Going to the cells at 11.25 last night the station duty sergeant at Cowan avenue police station, found George Taylor, 36 years of age, a private in the 33rd Eattalion, stationed at the Exhibition camp, dead on one of the seats. Dr. Hurns, 250 Dunn avenue, was summoned and certified the soldier dead.

On entering the cell the sergeant noticed that Taylor was in a sitting posture with his back against the wall and his head resting on his arms, which were folded across his knees. He gave him a shake to rouse him up and the soldier fell to the floor in a heap. On examination he was surprised to find him dead. The body wasremovel to the morgue, where an inquest will be held. Taylor was arrested earlier in the evening on a charge of drunkenness and s ated to the police that he was born in England. He was unmarried.

FOR MEN AT FRONT

Interesting Events in Canada Will Be Reported in the Trenches.

By a Staff Reporter. OTTAWA, Ont., Dec. 6.—Arrangements are being made by Gen. Sir Sam Hughes by which a daily news oulletin from Canada will be sent to the Canadian boys at the front. These bulletins will contain not only leading events happening in the Dominion but also personal events in the various provinces, such as will give the boys a more intimate reminder of the old home land and make them realize that they are never forgotten by the ones they have left behind.

New Toronto Council Will Discuss Bylaw at Meeting in

the Near Future. New Toronto Council took up the hydro radial question at its meeting lest night and refused to pass the first reading of the bylaw, on the grouthat sufficient time had not be given for its consideration. Another meeting will be held very shortly, prohably on Wednesday or Thu further consider the whole Thursday While generally approving of the by-law and the principle of the scheme, nicre time for discussion was de-manded.

No application was made by the G. T. R. for another vote on the matter of a fixed assessment, the last vote of weeks ago being lost by a mafority of two.

ETOBICOKE COUNCILLORS THINK LEVY IS HIGH

Will Hold Special Meeting to Consider Hydro Radial Ouestion.

Sir Adam Beck's provincial hydroscheme, as applied to Etobicoke, was the feature at yesterday's meeting of the Etobicoke Council. generilly approving the princ and council took exception that the amount assigned to the town-ship was higher than that of Toronto Township with a greater mileage.

A representative of the Hydro-Electric, who was present, stated that the amount levied against Etobicoke based on the higher assessment of that municipality and was due to the fact that three costly bridges would be re-

quired in the township. A lively discussion took place and, in view of the lack of data, it was decided not to submit a bylaw until further discussion and a special meeting has been called to consider the details.

Divide York Township

The farmers of York Township are talking of asking the legislature to divide York Township into two townships, owing to divergence of interests. Meetings are to be held to dis-cuss it. One plan suggested is to ask the city to take over a strip half a mile wide on either side of Yonge street north of the city limits up to the town lines of Vaughand and Markham; the city also to take in south of the Belt Line on the west, and Leaside and south of the Canadian Northern on the east; and then create two townships of the farms remaining: East Flast York Township to the cast and West York Township to the west, of independent rounicipal organizations. f the city doesn't want to take over the strip on Yonge street north of the city, then let it be erected into un town of Yonge street. Another pro-posal is to put East York Township in with Scarboro and West York Township in with Vaughan or Etobi-
