

#### 41. WORK EQUIPMENT.

To this account should be charged the cost of all work equipment, including all appurtenances, furniture, and fixtures necessary to equip them for service, purchased or built at the company's shops, including cost of transportation.

If special grading outfits be bought by the railway company to be used in grading, the cost of such outfits when bought should be charged to account No. 4, "Grading." The proceeds from sale of these outfits, if sold after completion of grading, should be credited to that account. If, however, the outfit be retained and used, account No. 4, "Grading," should be credited with the inventory value thereof on the completion of grading, and the account should be charged therewith.

**NOTE.—The following equipment is classified as work equipment.**

Ballast.	Outfit.	Tool.
