

Schedule No. 1, carries us back to the same William Jones. It is, however, an entry relative to a "Methodist Episcopal Church." Mr. Jones is described as an Episcopal Methodist in Schedule No. 1; and as being the nearest person met with, belonging to the church in question, he gives the particulars respecting it, which are entered in this schedule (No. 3); namely, that the church is a single building, having no inmates, and with 3 acres of land attached to it. For this description his name is only referred to for authentication of his statement.

Taking another case:—The fifth entry in Schedule No. 3, relative to a "Common School" refers to page 1, number 15, of Schedule No. 1, where we find the name of Lucinda Biddell, a schoolmistress, who has no home of her own, and lives with Charles Russell, a hotel and store keeper. The reference to her name is to authenticate the particulars given by her respecting that school, she being the nearest person of authority in it with whom the enumerator happens to meet.

Taking again another instance:—The twelfth and thirteenth entries in Schedule No. 3 refer back to Francis Ellis, the fourteenth name on page 2 of Schedule No. 1. We find there that his occupation is that of a General Manager. In Schedule No. 3, entry No. 12, he answers for himself as a proprietor of three town lots. In entry 13 of the same schedule, he answers for the "Coal Mining and Navigation Company," of which he is the Manager, to authenticate the information given respecting it. It has 10 buildings, in which there are 20 inmates; it owns 2,000 acres of land, &c.

All the references to Schedule No. 1, in columns Nos. 1 and 2, are made in the same way, throughout the whole of the six schedules in which they occur; and they will appear very plain if traced throughout the specimen schedules by the aid of the above explanation.

Columns 3, 4 and 5, relate exclusively to public institutions, and are to be passed over by making the sign —, whenever the information to be entered refers to individuals, as exemplified in Specimen Schedule.

Column 3. There are to be entered in this column all institutions of a public character, such as churches, convents, universities, colleges, academies, schools of all sorts, public and private, asylums, refuges, hospitals, charitable and benevolent institutions of all sorts, prisons and other penal institutions; as also institutions of a commercial character, such as banks, and other joint stock companies. These and all other institutions, relate to this schedule, and are to be registered in it by the enumerator of the sub-district or division where they happen to be; and whenever such institution is attached to or dependent on any religious
