## COMING!

**THE FAMOUS CHICAGO MARINE BAND,**

**T. P. BROOKE, Conductor.**

**SAID TO BE THE GREATEST BAND IN THE WORLD FOR POPULAR MUSIC.**

A BAND was organized in Chicago at the close of the World's Fair, as an adjunct to the Naval Militia which took charge of the Exhibition Warship "Illinois," and Mr. T. P. Brooke was secured as its musical director. This band made an instantaneous list, and everybody who has heard it declares that it is the greatest and most unique band for playing popular music that has ever been heard. It has created a sensation and become a rage in Chicago, where every concert of its last season series was crowded. The success has been wonderful.

An engagement has been made for the band to appear here, and something sensational and in the nature of a revelation may be expected.

## THE PROGRAMME

The primary idea of this Programme is, of course, to enlighten the audience as to the personnel of the artists taking part in the performances, incidentally to serve as a guide to the plot of the piece, and generally to give such information as will tend to the enjoyment of the auditor.

Reading matter of a miscellaneous nature, is, however, liberally supplied, that may be perused with interest and advantage. Quips and Quirks give zest to the solid matter, as sauces do to meats, but there is a fund of information in the advertisements that may be seriously considered with profit.

The publishers are prepared to attend to all business in the way of general and special advertising.

Respectfully,
