

The whole sum which was deposited in the names of the above Trustees was £1699. 16s. 2d. There remains unappropriated £800. 0s. 6d. which, according to the above vote, has been paid over to John Scott, Esq. the Treasurer. It appears from the Treasurer's books, and the Resolutions passed by the Committee, that, at different times, and for various objects connected with the education and moral improvement of the destitute in Canada, the sum of £899. 15s. 8d. of the original fund, and the interest, being £239. 16s., have been appropriated according to the intention of the Donors; and, it is hoped, to good effect, as it appears, that a number of Schools are now existing in Canada, in consequence of the effort then made: a Society being now formed, we may indulge a hope, that more extensive and permanent good will be effected.

JOSEPH REYNER, former Treasurer.

Since the formation of the Society, several, who were Donors, have offered to become Annual Subscribers; and should the Institution be useful, it is hoped, that all, who have given small sums, will repeat the payment annually.
