THE EXHIBITION

The exhibition and gratitude for the services they have rendered, not only to Ontario and Toronto, but to the empire.

"A few years ago these gentiemen approached me with a request that I should ask H. M. Government for a grant of one hundred thousand dollars to exhibition, we welcomed you as the representative of our Sovereign, as one of whom we had heard much and desired to know more intimately. To day our welcome is a personal one, a welcome to one who has been tried and not found wanting. For not only has your residence in Canada been marked by your constant and well directed efforts to bind more closely the Dominion to the Empire, but when the Cambon of the Empire will consider it a privilege well worth buying to have a permanent court in these grounds for the exhibition of their English, Irish, Scotch, New Zealand, South African and Australian products.

"Did time permit your excellency we can be and may also a permanent and well directed of the three parts of the empire will consider it a privilege well worth buying to have a permanent court in these grounds for the exhibition of the empire will consider it a privilege well worth buying to have a permanent court in these grounds for the exhibition of the empire.

"The react year the chief of the three the privilege well

"Did time permit your excellency we might go back over the period of your occupancy of the vice-regal throne, and point out some of the many ways in which you have endeared yourself to Canadians—how you have traveled over point out some of the misny ways in which you have endeared yourself to Canadians—how you have traveled over the broad Dominion tilf you have farmillarized yourself with its every advantage and resource, and carrying this knowedge to the mother country, have done much to make us known, not as the Lady of the Snows, but as a country rith in natural resources, possessing untold numbers of fertile acres, which await only the coming of population to make this whe granary of the empire.

"We might also refer to your timely appeal thru the imperial press to British manufacturers, pointing out the advantage of exhibiting their products at this Canadian National. You can see the results of it there to-day in the numerous exhibitse from the old land. You can see the results of it thrount Canada in branches established and in increased business between the mother country and the greatest of her sons.

"With you, my lord, we need not things Canadian, you have thoroly familiarized yourest. We can only stratefully acknowledge the many kind-is, nesses we have received at your hands, in cases who have received at your hands, in the familiarized yourest. We can only stratefully acknowledge the many kind-government nor the chambers of commercing to fitte miner that that as neither H.M. Government nor the chambers of commercing to fit the exhibition of atticles manufactured in the mother to fattle money required for the exhibition of atticles manufactured in the mother to make us known, not as the Lady of the Snows, but as a country in the mother to show the money required for the exhibition of atticles manufactured in the mother to make a present to such manufacturers in the United Kingdom would give the money required for the exhibition of atticles manufactured in the mother to have the money required for the exhibition of atticles manufactured in the mother to show the money required for the exhibition of atticles manufactured in the mother to show the money required for the exhibition of atticles manufacturers in the United

this exhibition. With it as with other things Canadian, you have thoroly familiarized yourself. Good Vaudeville Bill This week's bill at Shea's is clever and well balanced-in fact, so attractive that the house was sold out to the

last seat half an hour before the curtain went up, hundreds being turned In selecting Gus Edwards and his clever bunch for his headliner, Mana-ger Shea made a ten-strike. This skit, Fetherstonhaugh, H. A. Fleming, John Firstbrook, Charles H. Fuller. George H. Fensom, J. W. Gale, R. H. Greene, A. H. Gregg, George C. Gale, Earl Grey, G.C.M.G., G. R. Geary (mayor). entitled "Graduation Day," was an in-stantaneous success. His company of Ten Little Ones, every one is a star. George H. Gooderham, Hon. J. M. Gib-son, Lt.-Gov.; E. Holt Gurney, H. Gaglian Gonne and Frank Oliver, old

Toronto favorites, were encored again-Rhoda Nickells as the Teacher in Gibson, W. H. Greenwood, Wm. Goulding. S. B. Gundy, R. S. Gourlay, R. C. Hamilton, G. A. Howell, W. J. Hinton, her song "When the World Comes to" an End," received an enthusiastic encore. Her voice is sweet and of great

Lew Brice gave a good interpretation of Bert Williams' imitations. The chorus and the songs of Frank Alvin, Lillian Gonne and Neta Johnson were all repeatedly encored. The old favorites, the Cutty Family, are in the cast. They are artists To-

ronto theatregoers always gladly wel-Melrose gave a breakneck act with tables and chairs and the Shelbys a contortion act that showed they have had their backbone extracted. Both

were well received. Milton and Dollie Nobles in their tetch, "Why Walker Reformed," had sketch. the audience in a continual laugh.

Carl Randall in his songs and dances displayed great cleverness with his feet. Last, but not least, was Art Bowen, in his songs and black and white sketches. The show is a great treat and will prove one of the best drawing cards of the season.

Harper, Customa Broker, McKinnou Building, 10 Jordan St., Toronto. es

Paying store accounts old stand in a tent between two of the west wings of the process building with good meals at twenty-five cents. Clean, hot, palatable, Brown's have established an enviable reputation for eath purchase. Handling cash is always attended with a certain periodically by cheque is amount of risk. The use of cheques avoids this and besides puts your home accounts on a business basis.
