ANXIOUS TO MEET MENDELSSOHN CHOIR

New York's Renowned Glee Club Extends Courteous Invitation to Dr. Vogt's Company.

International courtesies are not rare as between the United States and Canada, but there is something unique in the greeting of the Mendelssohn Glee Club of New York, understood to be the oldest in the country, to the Mendelssohn Choir of Toronto. The reception alluded to in the following letter from Benjamin Prince, president of the Glee Club, is to be held in the Waldorf Astoria, or some other suitable place, on the afternoon of Tuesday, Feb. 27, or Wednesday, Feb. 28 (from 4 to 6). The members of our club are looking forward with great interest and pleasure to the visit your wonderful choir will make to New York City on the above date, and if it is possible for your members, while here, to give us the pleasure of meeting them socially and informally, we shall consider it a great privilege. As our club is perhaps the oldest male glee club in this country, and certainly the oldest which has taken Mendelssohn for its name and patron saint, it would seem appropriate that we do honor to a comparatively young club of the same name, which in only a few years has made for itself a reputation for chorus singing second to none, for which all honor is due your great conductor, Dr. A. S. Vogt.

REEVE SCANLAN HONORED.

BARRIE, Jan. 22.—(Special).—The county council of Simcoe to-day had its first sitting for 1912, with 41 members present. A. E. Scanlan, reeve of Bradford, was elected, being nominated by Geo. Campbell of Oro, and J. T. Simpson of the Township of Tinsley, for the office of warden, and elected by acclamation.

Warden Scanlan is a member of the bar of Simcoe County, and has held several responsible offices in the council, the last being that of chairman of the finance committee. Comparatively young man, he now stands at the head of one of the largest and most representative bodies of county legislators in the Dominion.

HOUSTON, Texas, Jan. 23.—(Special).—Strikebreakers, said to number 150, employed on the Harriman line here, walked out shortly after noon to-day. It is said the company had been giving them free board since the inauguration of the strike here Oct. 15.

SHOULD HAVE SENT FELLS AWAY, SAYS SIR JAMES

Sir James Whitney's opinion of Joseph Fells, tax reformer of London and Philadelphia is not at all flattering—to Mr. Fells. The published report of the premier's interview with Mr. Fells does not appear to have increased the former's admiration for the latter to any appreciable extent.

"At his request," said Sir James yesterday afternoon, "I went out of my way to see this man, and he is certainly an extraordinary creature. I do not care to go into details, but the story of what occurred as made public by him is grotesque, and has a falsehood in every sentence. He is a socialist with a tendency to be sharp and vulgar. I should have sent him away."

Y.M.C.A. Must Raise \$205,000.

LONDON, Jan. 23.—(Can. Press).—This is the last day of the twelve set apart for raising the sum of \$500,000 for the new Young Men's Christian Association building in London: Charles S. Ward of New York, the organizer, who undertook to collect the amount in the whirlwind system used in Canada and the United States, has yet to obtain just over \$205,000 in order to make good his endeavor.

Mr. Ward attributes the lack of full success in the campaign to misunderstanding of the purposes of the institution and to prejudices engendered by the narrow-mindedness which surrounded the former headquarters of the Y.M.C.A. at Exeter Hill.

Among to-day's contributions was one of \$7500 "on condition that billboard tables be installed." This was accepted.

WARDEN OF VICTORIA.

LINDSAY, Jan. 23.—(Special).—At the inaugural meeting of the 1912 county council of Victoria here to-day, Rev. James Steele of Eilon Township, Balver postoffice, was elected warden of the county.

The World's Leap Year Baby Mugs

As was stated in a recent issue, The Toronto World will present a beautiful silver birthday mug to every baby born in Ontario on the 29th of next February. These children will only have an anniversary once in four years, and it is fitting that their first birthday should receive some special recognition. There are no conditions or entrance fees attached to the award, the only regulations to be observed are as follows:

- 1.—Only babies born in Ontario are eligible.
 - 2.—Babies must be born between the hours of 12.00 midnight, Feb. 28, and 12.00 midnight, Feb. 29.
 - 3.—The entry for the award must be made by filling out the coupon which will be found printed in another portion of the paper.
 - 4.—The date and hour of each child's birth must be recorded for, in the place indicated on the coupon, by the attending physician.
 - 5.—Entries not made on printed coupon will not be considered.
- Something more about this award will appear in The World from time to time. Questions addressed to the Silver Mug Department will be answered.

WOULD ASK FOR LEGISLATION AGAINST MOVING PICTURES

Secretary Wilkinson and Chief Inspector James L. Hughes appeared before the police commissioners yesterday afternoon to ask that no moving picture theatre license be granted to any premises within one thousand feet of any building used for school purposes. They asked that should their request be not adopted absolutely that at least such license applications be held up until they should have time to approach the provincial government with regard to the matter.

The request of the detective department for better quarters was referred to the board of control, it being deemed that the "pigpen lot" offered by Commissioner Rolly Harris is hopeless inadequate relief, if relief at all.

The plans for the new police station at London and Harbour-streets were approved.

SALARY INCREASES FOR TEACHERS RECOMMENDED

Mr. Leves: That all principals' assistants be paid \$50 per annum more than the salary to which they are entitled in accordance with the general schedule for payment of salaries.

Mr. Leves: That women teachers who teach senior or junior fourth book classes be paid \$50 more per annum than the salary which they are entitled in accordance with the general schedule for payment of salaries.
