RESULT WARNS UNITED STATES

Taft Sees in Formidable Sup-
port Given Roosevelt and
Debs Danger to Con-
stitution.

CINCINNATI, Nov. 5.—(Can. Press.)—President Taft at eleven o'clock conceded the election of Governor Wilson. He issued the following statement from his brother's home here:

"The returns ensure the election of Governor Wilson to the presidency. This means an early change in the economic policy of the government in reference to the tariff. If this change can be made without halting prosperity, I sincerely hope it may be.

"The vote for Mr. Roosevelt, the third party candidate, and for Mr. Debs, the Socialist candidate, is a warning that their propaganda in favor of fundamental changes in our constitutional representative government has formidable support.

Gentlemen at Stake.

"While no experiment of change in the tariff is being carried out by the Democratic administration, it behoves Republicans to give additional strength and stand plumb above their faith in their party's principles, and to organize again to defend the constitutional government handed down to us by our fathers. It must make clear the meaning of the country who have been weaned away from sound principles of government by promises of reform, or by schemes of accomplishable but mere legislation. Patriotism and common sense require them to return to a support of our constitution. Without common sense, progressives, we must confess and win back former Republicans, and we must reinforce our ranks with constitution-loving Democrats."

NEW YORK STATE SOLID DEMOCRAT

Wilson's Plurality is 200,000
and Sulzer is Governor by
175,000 Over the Re-
publican Candidate.

NEW YORK, Nov. 6.—(Can. Press)—Woodrow Wilson was the choice of the state of New York for president by a plurality estimated at midnight of about 200,000 from returns received from nearly every election district in the Greater City of New York, and from all but 500 of the 2000 districts outside of New York City.

President Taft led Col. Roosevelt in the same districts by 100,000 votes.

Gov. Alton B. Sulzer, elected governor with a plurality of 175,000 over Job H. Hedges, the Republican nominee, who in turn beat Oscar Straus, candidate of the Progressive party, by about 15,000 votes. Shortly before 11 o'clock Job H. Hedges, Republican candidate for governor, was awaiting his defeat when he sent the following telegram to Congressman Sulzer:

"I trust your election will be for the more uplift of the state, and you have my best wishes in your endeavor to purify political conditions."

Mr. Sulzer was showered with messages of congratulations. Neither Oscar Straus nor Progressive State Chairman Hotchkiss made any statements up to midnight that Mr. Straus easily conceded the election of Mr. Sulzer. Leader Murphy of Tammany Hall said that the result was a striking evidence of the power of the people and demonstrated that the reforms and demands which the people demand must be made.

WILSON WINS

Continued From Page 1.

project have been gratified as indicated by the returns, which up to midnight show that he will go to the White House with both a Senate and house of representatives in line with his ideals. In the senate, which has been so evenly balanced between the Old Guard and the Progressives and Democrats that it has been impossible for months to elect a president, no one has been returned to show that enough legislative timber has been returned in crucial states to throw the balance of power to the Democrats, thru the consequent elections of Progressives where the Old Guard held.

There is a strong probability that there will be an actual working Democratic majority in the senate, altho, as that factor of the situation depends upon the actions of the legislature just elected, and not yet altogether pledged, the accurate story cannot be told until the legislature themselves get into action.

Standing in House.

But the new representatives has added twenty to its majority on the Democratic side, the returns indicating the following complexion of the house:

Democrats, 262; Republicans, 142; Progressives, 6; Socialist, 1.

As the house stood before election there were: Democrats, 223; Republicans, 160; Progressives, 6; Socialist, 1.

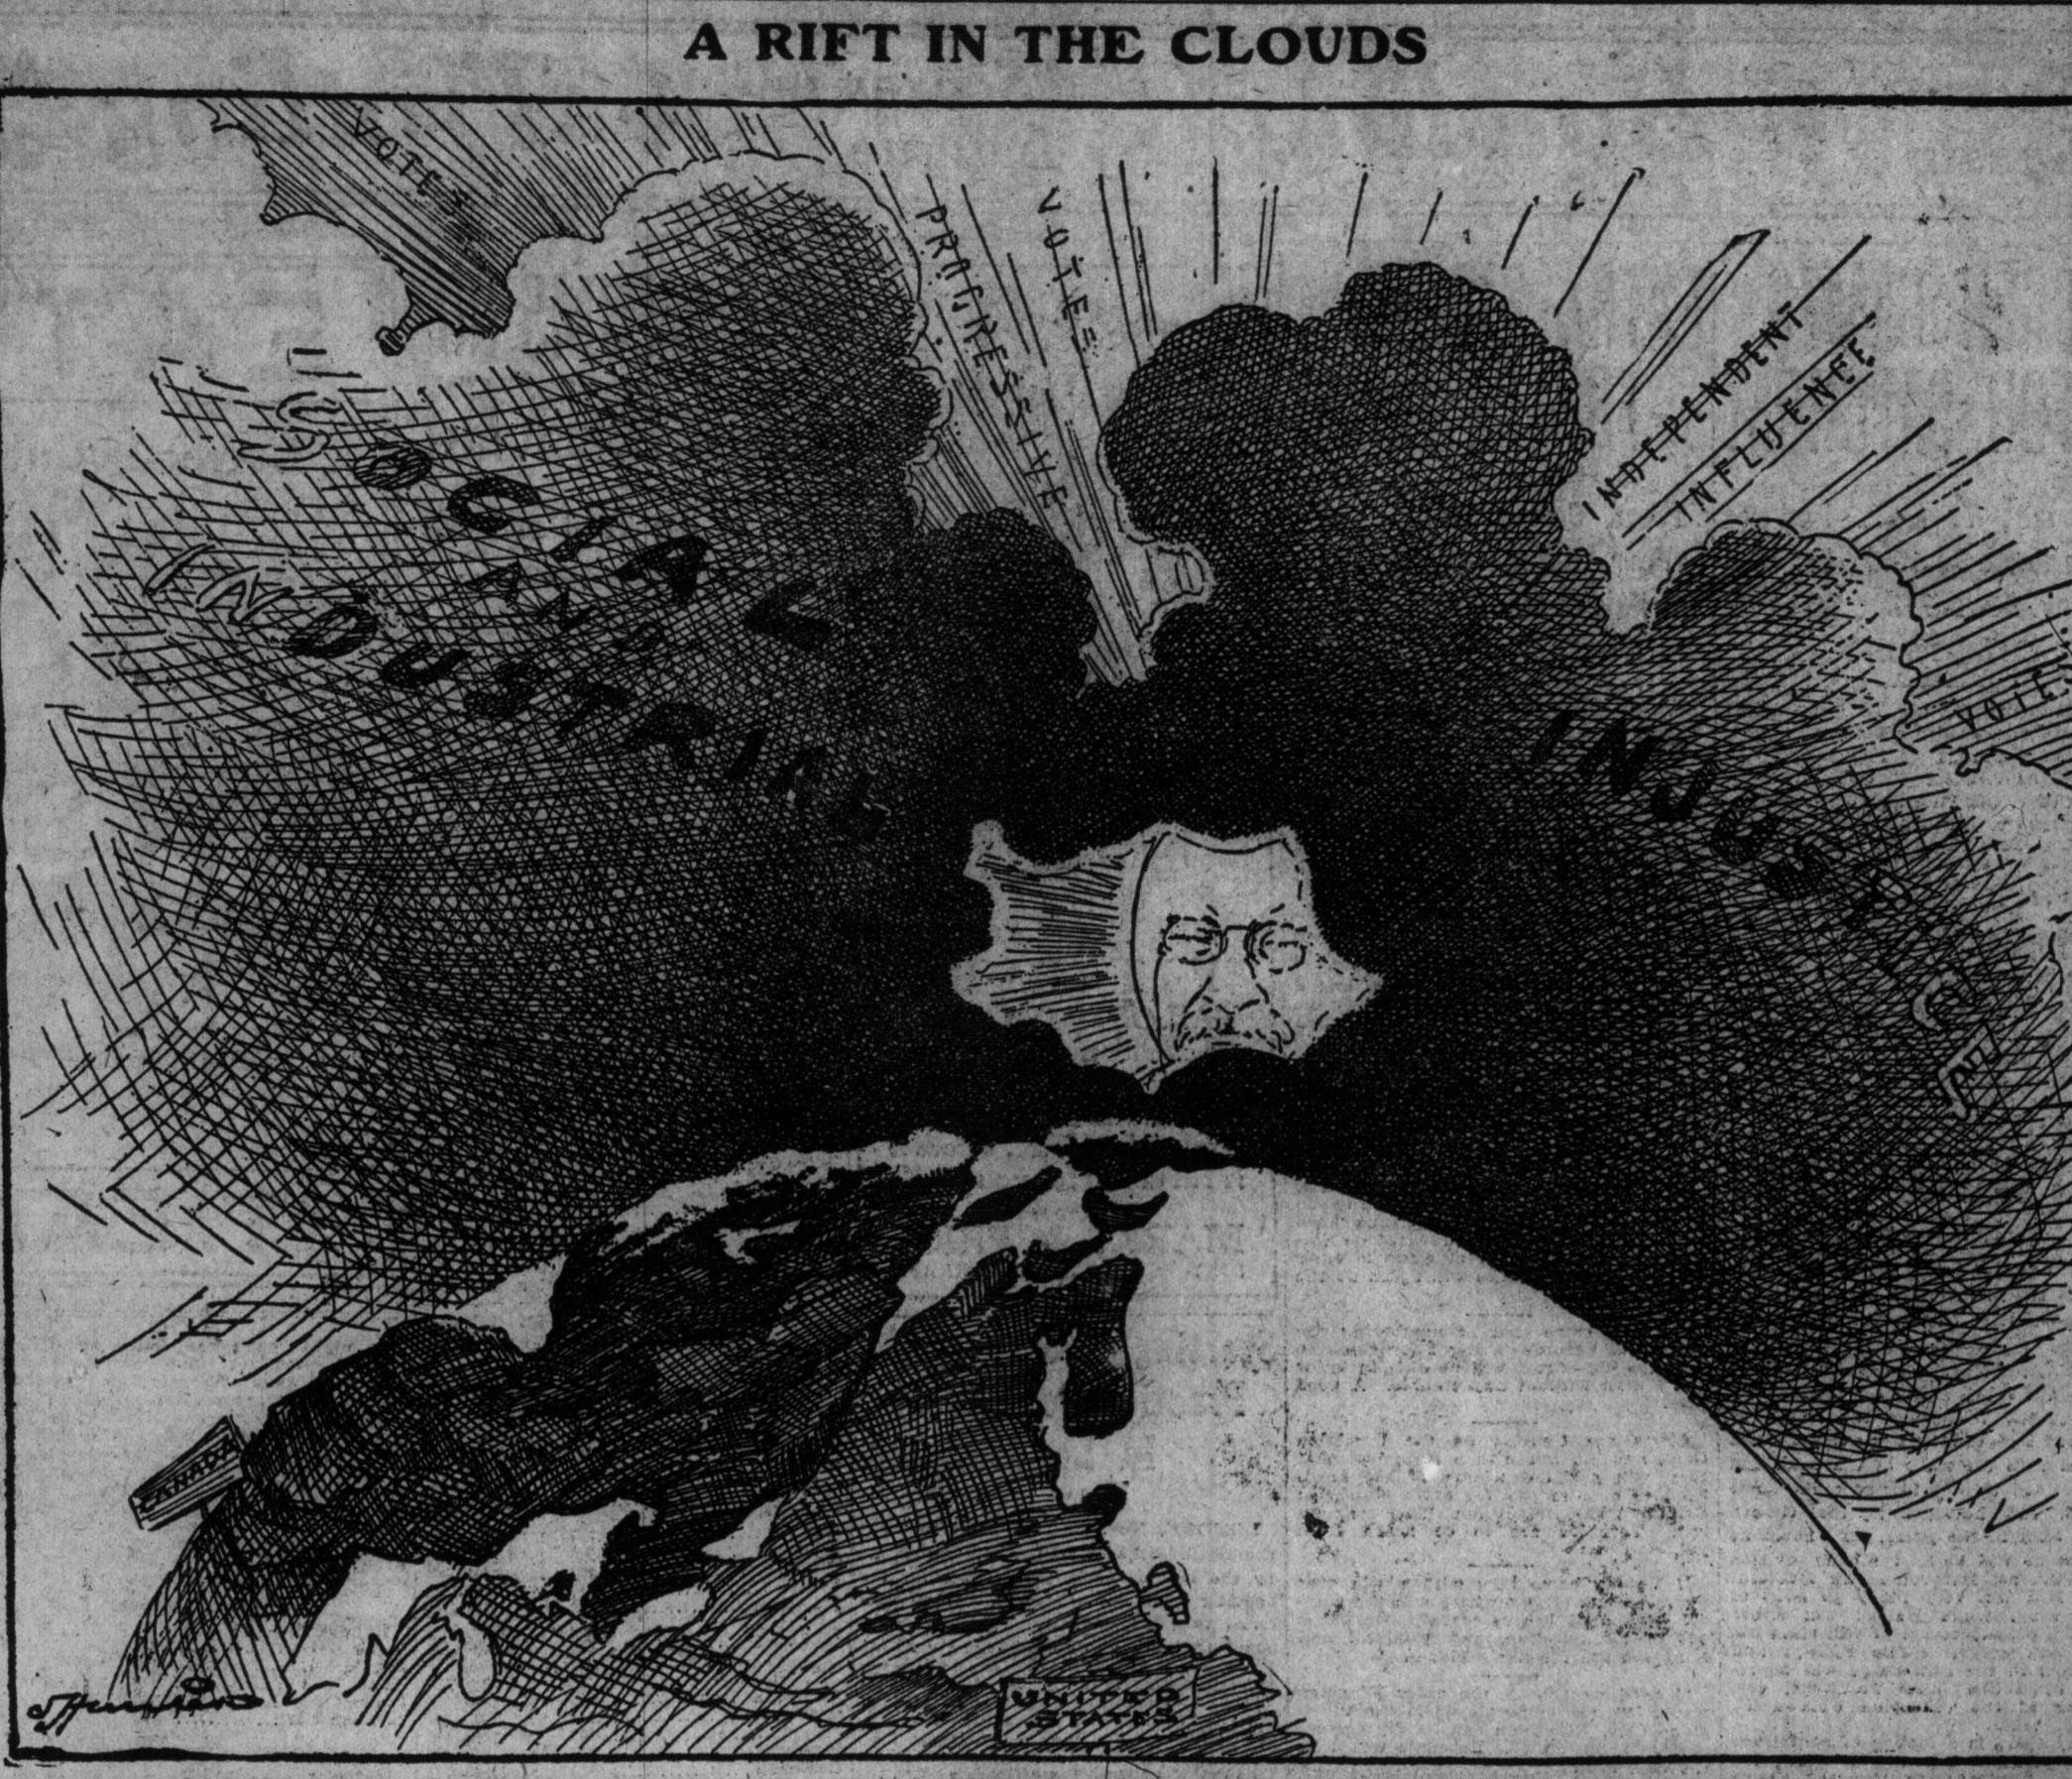

The congressional successes have been apparently general in character and not confined to any one section of the country.

Sentences in Balance.

In the Senate fight the Democratic fight was centred on carrying the legislatures of Delaware, West Virginia, New Jersey, Idaho, Montana, Nevada, Colorado, Wyoming and Iowa. All of these states except West Virginia lose a Republican senator in 1913, and it is certain from the returns that the substantial gain is to be made by the Democrats. The senate is ninety-two elders strong. As has been stated, the line of division is now drawn.

But thirty-three of the senators leave the hall March 4, 1913. Twelve of these are Democrats from States where the election of Democrats is certain. In twenty-one states from Republican states where there is every chance, on the face of the returns today, to make inroads on the Republican forces.

It is certain that the legislative elections have made a vast inroad on the Republican states that are thus put in 1908.

SCENTED VICTORY AT EARLY HOUR

Chairman McCombs Was Eager to
Despatch Good News to
President-Elect.

NEW YORK, Nov. 5.—(Can. Press)—Early returns from New York and the seaboard states were the cause of much excitement at Democratic National Headquarters. Chairman McCombs early after 7 o'clock sent word to Gov. Wilson that his election was indicated by an overwhelming vote. Later in the evening he made the following statement:

"Victory is now complete. The returns are coming in steadily, and with them Gov. Wilson has carried Massachusetts, Maine, Connecticut, New York, Maryland, New Jersey and all of the south. National Committee Chairman Kline reported Wilson will get 100,000 plurality in Oregon, and believe we will carry Pennsylvania for Wilson.

"I have heard enough to elect Gov. Wilson, and without difficulty official returns from the western states, which are not in."

With Chairman McCombs were Vice-Chairman Wm. J. McDonald and U. S. Senator O'Gorman, who were plainly satisfied over the returns.

ried Texas by 170,000. The vote for Taft and Roosevelt in Dallas, 10,000; Wilson, 10,000; Debs, 1,000. The Socialist vote probably will reach 10,000, an increase of fifty per cent over 1908.

ROOSEVELT SENDS WIRE TO WILSON

"Like All Good Citizens I Ac-
cept the Result and Con-
gratulate You,"

He Says.

OYSTER BAY, Nov. 5.—(Can. Press)—Shortly before midnight tonight Col. Roosevelt made the following state-

ment: "The American people by a great plurality have decided in favor of Mr. Wilson and the Democratic party. Like all good citizens, I accept the result with entire good humor and contentment.

"For the Progressive cause, I can only repeat what I have already said many times. The fate of the leader for the time being is of little consequence, but the cause itself must in the end triumph, for its triumph is essential to the well-being of the American people.

"Theodore Roosevelt."

About the same time he issued his statement, Col. Roosevelt sent the following telegram to Gov. Wilson:

"The American people by a great plurality have conferred upon you the highest honor in their gift. I congratulate you thereon."

ELECTION ECHOES

Election Echoes

Wilson is resolute, but by a minor vote against him and Taft. Roosevelt is already in the field for the next fight. He has cleared the ground. Taft's reign and influence is over.

Bryan is likely to be Wilson's sec-
ondary of state.

There will be a big tariff fight from

now on.

But progressive questions will still

command first place.

The president and the lower house are like the Democratic.

The Progressives may have the bal-

ance of power in the senate.

The New York papers and Wall

street will have the time of their lives

TAFT GOES BACK TO LAW PRACTICE

President Will Return to Cin-
cinnati Next March—

Smiled As He Heard

Returns.

CINCINNATI, O., Nov. 5.—(Can. Press)

In the same house where he heard the news of his victory over William J. Bryan four years ago, President Taft to-night read the bulletin that told the story of the election. Four years ago Mr. Taft, 34, Delta Torrey of Milford, Mass., his favorite aunt, and Mrs. Alice Roosevelt Longworth, were present to hear the news. Tonight the president and C. P. Taft and Mrs. Charles Anderson, Mrs. Taft's sister, were the only members of the family present, but a few friends dropped in during the evening.

The president was cheerful and smiling, and apparently was under less strain than other members of the family dinner party at the home of his brother, C. P. Taft.

The president voted shortly before noon yesterday at Prospect League headquarters, and then returned to his home.

The report that Mr. Taft might consent to become the nominee of his party four years from now in case of present defeat was put aside by his friends as too far ahead for serious consideration.

Mr. Taft's manner, however, declared his intention of returning to Cincinnati and resuming the practice of law if defeated, and that intention was said tonight not to have been altered.

In all appearances it was an even-

ing such as the colonel often spends
