T. EATON CO. GANADA'S GREATEST STORE."

Big Attractions in Homefurnishings.

The way sales have been running in Homefurnishings on the Second Floor clearly demonstrates that our stocks and prices are highly satisfying to the home-owners of Toronto. We sometimes wonder where all the goods go and what is done with them after leaving this CANADA AND THE PACIFIC CABLE. store. The bigness of our selling lends enthusiasm and inspiration to our efforts, and a corresponding determination to do still better in value-giving and record-breaking. That's why we are prompted to offer these bargains for Wednesday. We use that word "bargains" cautiously, but the goods and prices represented by these items are bargains, indeed :-

loss of energy which leads finally to consumption is not always very rapid, but if it isn't stopped it will presently begin to saw its way into the most vital part of the body, the lungs. There would be very little consumption if every family would keep Dr. Pierce's Golden Medical Discovery in the house, and use it whenever feeling "out of sorts." It keeps the entire body in such a high condition of health and forcefulness that wasting diseases have no chance to get a foot-hold. A teaspoonful or two before meals, in a little water, gives the digestive organism power to assimilate the blood-making, nerve-toning, strength-building properties of the food. It enables the liver and excretory system to clear the circulation of bilious poisons and remove all waste matter from the body. It replaces worn out tissue with hard muscular flesh, and changes weakness and debility into active power and nerve force. The originator of this great "Discovery." R. V. Pierce, M. D., is chief consulting physician to the great Invalids' Hotel and Surgical Institute of Buffalo, N. Y., at the head of a staff of nearly a score of eminent associate physicians and surgeons. He has acquired, in his over thirty years of active practice, a reputation second to no living physician in the treatment of obstinate, chronic diseases. His prescriptions must not be confounded with the numerous "boom" remedies, "extracts," "compounds," and "sarsaparillas," which a profit-seeking druggist is often ready to urge as a substitute. Dr. Pierce's medicines are the product of wide experience and deep study. Any one may consult him by mail free of charge.
