Indians Beat Hams in First of Series, Though Shaughnessy's Men Collected Greatest Number of Hits.

(BY BERT B. PERRY.)

Frank Shaughnessy's Hams and "Dad" Stewart's Tecumsehs are playing out the Mint League schedule over in Tecumseh Park until Wednesday. The first battle was staged yesterday. It was a gentle affair. The fact that the Indians hauled themselves out on the big end of the score doesn't mean anything in anybody's young life any more. Morrisette was working for the Tigers and he merely shoved the ball up there to be hit. "Skeets" Henrion put a little something on his shoots, and had the Shagmen bottled up most of the time when they needed a bingle or two. They did collect a couple more hits than the Tecumsehs, but they were not able to produce as many runs off them. With the bases full of Bengals in the sixth. Connelly, Shag's youthful catching recruit, was called out on a third strike. Walter Shay, the diminutive shortsto water Shay, the diminutive shortstop, surprised everybody including himself by hitting a homer in the third inning over Breckenridge's head. The ball rolled under the sign boards. "Lefty" Newman stole home with the fifth run in the sixth. Connelly juggled the ball as "Lefty" slid into the plate. Four double-plays were pulled off by

Left field was a busy section yesterday. Both Emery and Breckenridge pulled down a few flies, the London player having five and the visiting gardener making four. The day's program was marred by another accident in which Patrick Cherrier, piloting Armardale, had his left leg broken. It was in the 2:06 pace and one of the horses which "broke" reared and plunged into Cherrier's sulky. Driverless, Armardale raced to the wire and finished first.

The feature event of the day, the Matron stake for 3-year-old trotters, was won by Periscope in straight heats, the best time, 2:0414, being the fastest time of the season for 3-year-olds.

The Chamber of Commerce Stake for 2:06 pacers developed a lively battle between Edward P. and Little Batiste, the former taking the first and third heats, turning the miles in each instance in 2:0444.

Baron Cegantle took the 2:09 trot in straight heats, the best time being 2:0644.
