# MACDONALD'S

MHANGING conditions have given the Dominion a new electorate—the women of Canada.

> Canadian womanhood, to take full advantage of its prerogatives, to take its proper place in the management of Canadian affairs, must keep informed on the questions of the hour-must have the knowledge of events that will be the foundation of definite opinions on public questions.

#### Women Must Read the Daily Newspaper

The extension of the franthise to women was the fulfillment of a policy consist-ently advocated by The Globe in season and out of season.

But this is only the beginning. Womanhood must serve as well as vote. They must advocate reforms that are badly needed.

There must be legislation for the aged, as well as for the young, pensions for mothers, educational improvements, unemployment and sickness insurance.

These are some of the questions on which the womanhood of Canada will now have to take sides. Therefore, in this respect, The Globe has a special appeal for progressive, right thinking Canadian

The Globe is not a political organ. It never has submitted to outside dictation. It supports progressive liberalism. because it believes that true liberalism draws its inspiration from the needs of the people.

Its daily Women's Department and Thursday's Women's Section have a special interest for womanhood in the home. It was the first Toronto paper to establish a women's department, edited for all Canadian homemakers.

The Globe is first and last a Great Family Newspaper. It serves the women in the home, in public life, in business, in the professions and in industry.

What The Globe has been in the past is its guarantee of what it will be in the future. The aim of its publishers and its Editor is to take advantage of the tremendous facilities at its disposal-to make it even more worthy of a place in every Canadian home.

[Special to Advertiser.]

Stone, chief Conservative organizer among the Jews, had been given authority to import liquor by the thousands of bottles, and Mr. Dewart said he was prepared to prove that the Government vendors were not particular whether it was this particular "vishnish" which they supplied or another brand of liquor.

Amid ringing cheers Mr. Dewart demanded the dismissal of License Commissioners Flavelle, Dingman and Smith, together with Inspector Ayearst for the part he said they played in the affair, and the immediate prosecution of the culprits.

He was scheduled to speak at an open-air meeting in Victoria Park. This was called off, owing to the action of the mayor.

## The Real Issue of the Referendum Oct. 20th

EVERY effort is being made by certain interests to confuse and mislead you into thinking that you must either vote for the retention of The Ontario Temperance Act in its present form—or see the old license system revived with all its abuses and evils.

Let it be clearly understood here and now-No one wants the whiskey bar back and the general sale of liquor—the Government does not want it, the Citizens' Liberty League does not want it-even the Brewers and Distillers are opposed to it. There is no sentiment in this Province supporting a return to the old license system and the sale of whiskey over the bar. The Citizens' Liberty League does not and will not support such a course.

But—the Liberty League conscientiously believes that anyone who makes a careful study of Ontario's vexed temperance problem will agree that The Ontario Temperance Act, as it now stands, is too drastic in its prohibitory measures. Ninety per cent. of Ontario's labor unions have asked for a more palatable beer -the Beer of the Ballot-a little stronger than the beer sold under The Ontario Temperance Act. yet absolutely non-intoxicating. The same request has been made by a large number of the returned soldier organizations and citizens generally.

#### Vote "Yes" on Questions 2 and 3—Assure These Men the Beer of the Ballot.

These men are neither drunkards nor children. They are the same men who form the backbone of Ontario's industrial life—they are the same men who fought Germany to a standstill and brought Canada to the forefront among the nations.

In voting "Yes" to all four questions, you will not be voting for a return to the whiskey bar, but you will be voting for the sane, moderate compromise that the labor and soldier organizations are asking for— the sale of light beer and wine generally and the sale of pure, spirituous liquor only through Government agencies.

Which are you for-Intolerance or Compromise? Vote "Yes" to all Four Questions.

> Mark your ballot with an X. Any other marking will spoil it. Remember, also-every voter must vote on every question or his ballot will be spoiled.
