BUILD UP YOUR STRENGTH. Take My Belt for What it is Worth. Wear it Until

You Are Gured—Then Pay Me My Price. If you come to me and I tell you that I can cure you, I've got confidence enough in my treatment to take all the chances. I am curing hundreds of weak men and women every day, and I know what I can cure, and what I can't. If you will secure me, you may wear

my Belt free until cured. I know that no man remains a weakling because he wants to. I am sure that you want to overcome every indication of early decay that has shown itself on you. I don't think the man lives who would not like to feel as big and strong as a Sandow; and I know that if you have a reasonable foundation to build upon I can make you a bigger man than you ever hoped to be. I want you to know that, you who can't believe it, and I want you to have my book, in which I describe how I learned that

strength was only electricity, and how I learned to restore it; also,

Dr. McLaughlin:

Dear Sir,—I wish to say that your Belt has done me more good than all the medicine I ever took. I used it every night for about three months, and since then I do not need it. I can sleep well and feel as well as ever I did. I am only too pleased that I made up my mind to get your Belt. You have my permission to use this letter if you wish, as I will be only too pleased if it will help anyone to get a cure. Yours sincerely,

JOHN HUNT. And how is it with you? Have you rheumatism and back pains, a dull ache and weakness over your kidneys, dull headaches, with a tired, stupid feeling? Are you losing your vitality? Do you feel yourself growing aged before your time? Are you nervous, sleepless, short of memory, and lacking in spirit and self-confidence? Do you know that you are not the man you would like to be?.

If so, I can cure you. Whatyou lack is just what electricity My Belt will cure you, and if you will come to me you will soon be one of "DR. M'LAUGHLIN'S MEN."
