Choice Butchers Wanted + Canners and Cutters Active.

HOGS WERE STEADY

ON YOUR OWN TERMS—Market gardens, suitable for vegetable, fruit and pountry raising; close to schools, stores, churches, electric car lines and railroads; one of our customers who has steady employment in the city has grown in his spare time two hundred bags of potatoes on 30 acres of land, and sold his entire crop at \$2 per bag. Why complain about the high cost of living when you can grow all your own fruit and vegetables? Stephens & Co., 136 Victoria St. Lambs and Calves Firmer Sheep Were in Strong Demand.

Receipts of live stock at the Union Stock Yards yesterday consisted of 98 cars—1709 cattle, 170 caives, 1581 hogs, 921 sheep and 17 horses.

With yesterday's receipts and Monday's left-overs, there was a fair-sized market at the Union Yards. Good to choice butcher steers and helfers were strong and in demand, but very few of this class were on the market.

For weeks past the bulk of butchers have been of the common and ordinary class, and sold for all they were worth. Good to choice heavy steers were mostly noticed by their absence. Cows were steady and in demand. Canners and cutters were quite active and were readily disposed of at from \$3.75 to \$4.75. Bulls were firm and sold at \$5 to \$7.25.

There was no change in the price of milkers and springers or stockers and feeders.

Lambs were firm and slightly higher.

Lambs were firm and slightly higher, a few decks selling at \$10.90; the bulk, however, sold at from \$10.50 to \$10.85. Ottawa Valley black-face lambs are arriving quite freely, and are bringing good prices.

Sheen were firm and slightly higher.

good prices.
Sheep were firm and in demand.
Calves—The calf market improved considerably yesterday. They were active and slightly higher in price.
Hogs were steady to firm, fed and watered selling at \$11.15 to \$11.25; weighed off cars at \$11.40 to \$11.60. QUOTATIONS ON LIVE STOCK.

Choice heavy steers, \$8.35 to \$8.65; good heavy steers, \$7.65 to \$8.

Britain Feels Boy-Ed's Capacity for Harm is Lessened.

asked Lord Robert Cecil, war trade minister, the reasons why the foreign office had granted a safe conduct to Capt. Karl Boy-Ed, formerly German Capt. Karl Boy-Ed, formerly German naval attache at Washington, at the time his withdrawal was requested by the American Government. Mr. Beliairs also asked whether Lord Robert was aware that Capt. Boy-Ed was "the head of an organization engaged in forgery, murder and arson in the United States," and was now "organizing occasional U-boat operations off the American coast from Labeck."

Lord Robert replied that the safe conduct had been given to Capt. Boy-Ed in deference to the officially expressed wish of the United States Government. 'The British Government relt that the captain's capacity for injuring the interests of this contract. Government. 'The British Government felt that the captain's capacity for 'n-juring the interests of this country was at least not greater in Germany than in the United States The government had no reason to regret this view. Regarding 'Mr. Bellairs' query in regard to Capt. Boy-Ed's present activities. Lord Robert said: "I have no leason to doubt that all Mr. Bellairs says about Capt. Boy-Ed is true. Some of it is officially known to be true." of it is officially known to be true, but I do not think anything would be be gained by announcing that no further safe conducts would be granted."

NEWRAY STRIKE VEIN AT DEPTH

Perhaps the best information from the Newray mine since work was started upon the company's property was received in a wire yesterday as follows:

"Schumacher, Oct. 31.—Diamond drill hole No. 4, which cuts the Anghor wein and the new find the Anchor vein and the new find between the Hanson vein, shows

free gold in the ore at a depth of 540 feet. Hanson shaft assay's return from muck samples run seven dollars and fourteen cents. Big new find on west side adjoining Plenaurum mine assay returns from muck samples six feet down, \$6.12. Assay from drill hole No. 4 at depth of 520 feet averages \$6.46." The letter states that the Hollinger report, which goes out on Friday, will show that the dividend has been earned for the first time since the concludation. sclidation. Next spring earnings should be double the dividend requirements, which should provide in time for the increased disbursement as forecasted by Managing Director Robbins at the time of consolidation

forecasted by Managing Director Robbins at the time of consolidation.

They estimate that McIntyre is earning about \$60,000 a month against an average of \$44,000 in the September quarter, \$41,000 in the June quarter and \$25,000 a year ago. The addition to the mill now under way will provide an increased tonnage of 20 per cent., and earnings should increase at least to that extent. The company

to the mill now under way will provide an increased tonnage of 20 per cent., and earnings should increase at least to that extent. The company should therefore start 1917 with a production of \$120,000 and profits of \$72,000 a month, the latter being at the rate of 28 per cent. per annum on the capitalization.

The letter announces that H. D. Symmes of Niagara Falls, Ont., has been elected a director of the Mc-Intyre, succeeding I. J. R. Muurling of New York, whose stock was recently taken over by a syndicate, and who resigned.

It is also stated that the Mining Corporation of Canada paid a bonus of 2 1-2 per cent. regular half-yearly dividend on Sept. 30. The company is second largest of the Cobalt producers, being next only to the Nipissing.

The letter also goes into detail concerning the position of Davidson.
