WE HAVE IT AT LAST!

Only \$5.00. A PLATE YOU CAN BITE WITH. HELD IN POSITION BY OUR NEWLY IMPROVED QUADRUPLE ATTACHMENT. People don't want artificial teeth to carry around in their pockets or keep at home in their bureau drawers so they will know where to find them when the door bell rings. They want teeth for service. If you have a plate that no dentist has been able to make fit, why not try us? We have satisfied thousands and why not you? Our teeth are so natural in size, shape, color and the expression they afford to the features as to defy detection EVEN BY A DENTIST unless closely examined. Our new attachment holds them so solid almost as though they were riveted in mouth.

The liquor case against Mrs. Annie Quirk, of Studholm, which was to have come up yesterday at Sussex, has been postponed till Monday, the bad roads making it impossible to have witnesses present. J. A. Barry, of this city, who is Mrs. Quirk's counsel, in the absence of Ora P. King, returned from Sussex yesterday. J. Arthur Freeze appeared for the Secti. At. Inspector. Yesterday afternoon Miss Homer lectured in the Natural History Society rooms on The Story of Lohengrin, and, notwithstanding the inclemency of the weather, a large number attended. Miss Homer was thoroughly conversant with her subject, which was exquisitely illustrated by music executed by Mrs. Kent Scott, and all present were delighted and pronounced the afternoon a most enjoyable one. Some wag with a fine sense of humor left a large cake of ice at the door of the Queen's rink yesterday. The management, while appreciating the "cold touch" would be much better satisfied if the weather man would "turn on the tap" marked "freezing". It was the irony of fate that even the cake of ice so donated gradually dwindled away like the so carefully prepared skating surface in the rink.

WILL DISCUSS TUBERCULOSIS

Interesting Meeting to be Held Tonight at Close of Week of Prayer Service.

Last night's meeting in the week of prayer in the Germain street Baptist church was largely attended. Rev. H. D. Marr and Rev. A. A. Graham took part in the exercises and the choir of St. Stephens church led the singing. Rev. Hugh Pedley delivered a powerful address on the building of character. At the close of tonight's meeting Rev. Mr. Pedley and Mrs. Daniel, Addy and McIntosh will deliver addresses on tuberculosis. In view of the high death rate in this city from the disease as reported by the board of health, great interest will be felt in tonight's addresses. Rev. Mr. Pedley has been prominent in the campaign against tuberculosis in Montreal and was largely instrumental in the formation of classes for the treatment of the disease. Superior nurses had been secured and a limited number of cures undertaken. These patients had been treated at home by doctors who's services had been secured gratuitously. Ven. Archbishop Raymond will preside tonight and the choir of Exmouth street church will lead the singing.

A MYSTERY!

St. John Girls Have a "Leap Year Club" and Promise Developments—Bachelors Beware.

Hint! There is conspiracy in our midst. It would appear that a deep, dark plot is on foot to entrap some unsuspecting bachelors. Again, Beware. A lady, whose very voice breathed mystery, called up the telephone this morning and asked the following notice be published: "On account of the business rush in Christmas week the meeting of the Ladies' Secret Leap Year Club was postponed. All the members are requested to be present at the last meeting which will be held Friday evening at the place appointed. All members are requested to be present, as matters of great interest will come up for discussion, and prizes will be awarded, after which the club will disband until next leap year. The gentlemen have unknowingly been interested in this club may be on the lookout for developments on Saturday." Now, what do you think of that? Ain't it awful, Mabel? What does that last sentence mean? Have any trusting Johnnies been entraped by the wiles of these females? The developments will be awaited with much interest.

WEEK OF PRAYER IN NORTH END Tonight's Meeting Will be Addressed by Rev. R. P. McKim Who Will Speak on Nations and Their Rulers.

The service in connection with the week of prayer for the north end will be held this evening at Douglas Avenue Christian church. The topic will be "Nations and their rulers." Rev. R. P. McKim will lead the meeting and addresses will be given on selected topics by Revs. B. H. Nobles, J. J. McCaskill and David Hutchinson.

THEY ARE STORMSTAYED Arbitrators in International Railway Matter Will Not Meet Today.

The arbitrators appointed to determine financial matters at issue between the International Railway and the N. B. Railway and Land Company over use of right of way by the railway through the N. B. Railway and Land Company's property, which was to have met here this afternoon at three o'clock will probably not meet until tomorrow, as some of the interested parties are unable to reach the city on account of the washouts on the railway.

WORK FOR UNEMPLOYED Salvation Army Will Ask City for a Grant to Carry on This Work.

At the regular monthly meeting of the treasury board to be held this evening, the question of providing work for the unemployed about the city will be brought up by a delegation from the Salvation Army, who will ask the city for a grant to assist them in carrying on their work along these lines. It is probable that a grant will be made to the Army, as it is generally admitted that their organization is better able to cope with the matter than the city could do.
