

**Insure your Farm Property, your Residences, your Live Stock, your Household Furniture, with the successful Pioneer of cheap and safe Insurance in Canada,—the popular "London Mutual," which does a larger business in Ontario alone than any other Company in the whole Dominion.**

**NOTICE.**

Any member getting this Report will please urge his neighbor, who may happen to be a member and has not got his Report, to call at the Post Office and ask for it EXPRESSLY. It is feared that some Postmasters throw Insurance Reports to one side and often don't deliver them unless specially asked for. It is known, in fact, that this is the case in some instances; and Postmasters are earnestly and respectfully requested to treat our Reports with the same consideration at least as they do newspapers, and deliver them whether the person calling asks for them or not.
