

### The Annual Sermon.

The Rev. John King, D.D., delivered the annual sermon in the St. James' Square Church, on the evening of Sunday, the 26th November. The address was one specially appropriate to the occasion, and has since been printed in pamphlet form. It can be obtained at Messrs. Willing & Williamson's, and the members of the Society are particularly asked to obtain copies of it for distribution among their friends.

### St. Andrew's Day.

On the "Day" the Society met for business at the Queen's Hotel. The installation of Officers was duly effected, and after transaction of routine business the meeting adjourned.

A brilliant gathering of members and guests then proceeded to the dining-room of the hotel, where a sumptuous supper awaited them. After full justice had been done to the luxuries of the table, the celebration of the Day was prolonged by speeches and music until a late hour. Good fellowship reigned supreme, and the final parting was made with many regrets.
