At Residence BY AUCTION.

BY AUCTION.

I am instructed by the Executors of the late Mrs. James Gerow to sell at residence, No. 46 Garden street, on Thursday morning, March 31st, at 10 o'clock, the entire contents of house consisting of double parlor furnishing in old mahogany and walnut furniture, grand square piano, Oriental vases, carpet squares, etc., together with dining room, kitchen, halls, bedrooms, library and sitting room furniture, curtains, portiers, carpets and carpet squares, sectional bookcases, easy chairs, rockers and the usual household requisits.

F. L. POTTS, Auctioneer.

The St. John river yesterday maintained the height of twelve feet above mid-summer level which it reached on Monday and some considerable losses have resulted from the abnormal height of water. Near Edmundston the telephone cable and ferry cable were carried away by the force of ice. A residence near the ferry landing is more than half submerged and has been forced from its concrete foundation. A large ice-house is also half under water. The hydroelectric power plant of the Fraser Company was obliged to close down as the water in the river had risen high enough to stop its turbines. The thermometer registered five below zero at Edmunston last night.

The St. John river yesterday maintained bookcases, easy chairs, rockers and the usual household requisits.

I am instructed to sell at Public Auction, 238 Union street, Thursday and Friday, March 31, April 1, at 7.80. One of the finest stocks of dry goods ever known. Children's fancy white dresses, hosiery, men's pants, yard goods of all kinds, housedresses, ladies' skirts, whitewear of all kinds. Kimonas, rubbers, georgette waists in all colors and goods of all descriptions. Be sure and come.
