## HAVE TROUBLE GETTING THEIR LIQUOR AWAY

Rush to Export Stocks from U. S. Before January 16—Hard to Get Ships.

New York, Dec. 20.—Distillers and other owners of alcoholic beverages are seeking to export millions of gallons of whiskey and other liquors from this and other eastern ports before Jan. 16 when the national prohibition amendment will become effective, but are meeting with great difficulty in getting freight and cargo space. Shipping men declare that it is extremely doubtful whether cargo space can be obtained for more than a comparatively small percentage of the liquor offered for export, although some firms have announced a willingness to give preference to liquor shipments to help distillers and others out of their difficulties.

Customs house officials say a heavy export movement already is under way. Liquor exports have been increasing steadily for many months, but the heavy movement is said to have begun in October, the latest month for which detailed statistics are available, when the value of the exports of distilled alcohol, spirituous and malt liquor reached \$1,307,276, as compared with only \$889,774 during the same period last year.

### EYE STRAIN.

This is usually due to a defective formation of the eye ball, and not to a diseased condition.

While glasses do not cure this defect, they correct it by restoring normal vision without strain.

Eyestrain causes loss of nerve energy and physical disability. If bodily comfort is desired, together with ease in reading, glasses to correct this defect should be procured. If you are suffering from eye strain let us examine your eyes and fit you with the right kind of glasses.

Why not arrange an appointment today.

**INCREASED THEATRE PRICES FOR NEW YEAR'S.**  
Chicago, Dec. 20.—The chief Chicago theatres today announced an increase in

the price of seats for the New Year's eve performances from \$8.30 to \$11, including war tax. Two others will raise admissions for that night from \$3.80 to \$6.00.

Prospective absence of wine suppers at cafes and restaurants on the last day of the year, with the consequence of amusement seekers turning to the theatres, was the reason ascribed for the changed price.

Toronto, Dec. 20.—It is unofficially announced that Edgar Evans, United Farmer M. P. for South Simcoe, has offered his seat to Premier Drury. It is expected that Mr. Drury will accept.
