THE GUELPH SEWING MACHINE CO.,

Have pleasure in recording their sincere thanks to the people of Canada for the unprecedented patronage extended to them and their numerous agents, and assure them that no effort will be lacking on the part of the Company to merit a continuance of such favors, by the production of none but first-class machines, and at prices that will place them within the reach of every family in the country.

GREAT IMPROVEMENTS HAVE BEEN MADE ON THE

Osborne Sewing Machine.

NEW AND IMPORTANT MOVEMENTS have been added, and the highest grade of first-class work attained—all of which evince the rapid progress we have made towards perfection in the Sewing Machine Art.

All experienced Sewing Machine people who have thoroughly examined the OSBORNE have invariably pronounced it not only a first-class machine in every particular, but in their honest judgment *the Best Family Lock-Stitch Sewing Machine in the Market.* From thousands who have used our machines, we have received the highest testimonials of their working qualities, while the press of the country have passed the highest encomiums in their behalf.

A trial will convince intending purchasers of their inherent good qualities, and all who desire to possess a first-class article should secure AN OSBORNE at once. One if properly cared for will last a life-time.
