#### GOES TO ENGLAND.

It was very clear to the astute mind of the Prophet Smith that the Mormon Church could not exist in the United States without the aid of a foreign element, and so the apostles received in the revelation alluded to, the command to repair to England under the leadership of Brigham. Some of the apostles and elders had preceded them some two years before, so that they were not altogether without friends. Still they had a hard time of it gen-

Allow me a space in your valuable paper to refer to a practice frequently
indulged in by some worthless char-acters from your town. They come up this river on Sunday, in order to evade the law, and conduct themselves in the most disgraceful manner, their conduct last Sunday being exceeding-ly bad. Parties on this river who in-dulge in the practice of selling liquor without licence all the week, cannot allow Sunday to pass, but supply those roughs, as well as all others.
