the poultry. Again and again Vic-

consisted of 2 firsts, 4 seconds, 1 third,

Worn, Worried Mothers.

Much of the worry which
every mother of young children
undergoes would be spared if
the mother kept Baby's Own
Tablets on hand and gave an occa-
sional dose when the child
was fretful, cross or feverish.
Nearly all the ailments of child-
hood can be traced to the stom-
ach, bowels or teething. For
these troubles no medicine can
equal Baby's Own Tablets, and
the mother has the guarantee
of a government analyst that
the Tablets are absolutely safe.
Mrs. Ed. Suddard, Haldimand,
Que., says: "I have used
Baby's Own Tablets in my
home for a long time and al-
ways with the best results. I
do not know how I could get
along without this medicine."

Given Up To Die

No. 100 George St., Sorel, Quebec.
"I suffered from womb disease for
seven years, with dreadful pains over
the front of the body, over the back
and down the legs. I had indigestion
and chronic constipation and the con-
stipation was so bad that I went some-
times for ten to fifteen days without
any action of the bowels. I was ill in
bed for one whole year. At one time
I was so low that everyone thought I
was going to die, and the last Rites of
the Church were administered to me.
I was treated by six different doctors

MADAME JOSEPH LIRETTE,
without any benefit. Then I got a sam-
ple of "Fruit-a-tives," but I had no
faith in them at all, and I would not
have taken them only my husband
begged so hard for me to try them. As
soon as I began to take "Fruit-a-tives"
I grew better, the bloating was re-
lieved, the sleeplessness was cured, my
stomach acted, and the bowels were
moved, but above all the fearful womb
pains were made easier.
"I have taken eighteen boxes in all
and I am now perfectly well again."

PREPERS JAIL TO JUDGMENT.
Debtor Condemned by County Court
Judge to Serve Ten Days.

"I will go to jail; I am not going to
come here to be treated unjustly," de-
clared James Simpson, gardener, in
county court this morning.
Last month a judgment was ren-
dered against him at the instance of
Jeff. Richards for rent of a piece of
ground and he appeared this morning
to explain why he had disregarded the
judgment.

J. A. Aikman, for the judgment cred-
itor, put in a letter which the defend-
ant wrote Richards a short time ago,
containing some rather emphatic state-
ments in support of his declaration
that he would not pay the money.
"I don't know much about law but I
know something about justice and
right," said Simpson, who had defen-
ded the case personally. He was unable
to convince Judge Langman then that he
did not rightfully owe the money, and
was equally unconvincing to-day as to
his inability to pay. He was convinc-
ing, however, as to his decision not to
pay.

His honor remarked that judgments
would be useless if they were to be de-
fied by defendants in this way. If the
defendant did not satisfy the judgment
within forty-eight hours he would have
to go to jail for ten days.

BANK CLEARINGS FORGING AHEAD

VICTORIA LEADS IN
PERCENTAGE GAIN

Increase for Week is 82.6 Per
Cent., According to
Bradstreet's.

Victoria has started the year well.
In the first week of 1910 she has out-
stripped all the other cities of the Do-
minion of Canada in the percentage of
increase in her bank clearings. Cal-
gary, the second city on the list, shows
an increase of 55.9 per cent., but Vic-
toria has the immense increase of 82.6
per cent.

There have been a number of people
who vainly imagined that the business
reported to have been done during that
week was only on paper, and the re-
ports given of property changing
hands was simply a manipulation. The
figures published by Bradstreet's con-
tradict this and show clearly that
Victoria's growing time has come, and
that she is more alive to-day than any
city in the Dominion of Canada.

The following is the official list of
clearings given by Bradstreet's:

	Amount.	Per Cent.
Montreal	\$40,401,000	37.4
Toronto	\$37,767,000	36.3
Winnipeg	\$2,285,000	32.7
Vancouver	\$4,544,000	55.7
Ottawa	\$2,177,000	17.3
Quebec	\$2,242,000	3.4
Halifax	\$2,313,000	49.4
Hamilton	\$1,737,000	8.6
St. John, N. B.	\$2,310,000	55.9
Calgary	\$1,720,000	5.6
Victoria	\$1,584,000	82.6
Edmonton	\$1,208,000	10.1

EAGLES TO HOLD BALL

Preparations Being Made for Grand
Masquerade on St. Valentine's
Night.

Preparations are now being made
for the annual masquerade ball of the
Fraternal Order of Eagles, which will
be held as usual on St. Valentine's
night, Monday, February 14th. The
hall for holding the ball has not yet
been decided upon, but the matter will
be gone into at the regular meeting
of the lodge on Wednesday night.

The Eagles are determined this year
to make this ball even grander and
larger than ever before, and although
this is a strong assertion, they are de-
termined to do so. The amount in prizes
will be largely increased, and stricter
attention will be paid to the costumes,
for which prizes will be given, more
particularly those of the best dressed
lady and best dressed gentleman, on
which there was some argument last
year.

In consequence of the frequency with
which assaults on the police occur in the
north division of London, arrangements
are being made to start a class for the
teaching of Ju-Jitsu to officers.

ALBERTA GRAIN IS WANTED IN MEXICO

Captain Worsnop Says Unable
to Fill Orders Through Lack
of Elevators.

Captain Worsnop, of the Canadian-
Mexican line of steamers, is in the city
to-day in connection with a delegation
which waited on Mackenzie & Mann and
the provincial government in regard to
freight rates. He is also interested in
the repairs being made to the steamer
Georgia, which is at present in the dry
dock.

Asked in regard to the plans of the com-
pany for the future, Captain Worsnop
said nothing definite had yet been decided
upon. He expected to leave for England
next Sunday and would stop off in Al-
berta for the purpose of conferring with
the government of that province in con-
nection with the establishment of eleva-
tors on this coast.

"We have lost a good deal of freight
this year through not having the grain at
Vancouver," said the captain. Ten thou-
sand bushels were ordered through us,
but we were unable to get the aid of the
best accommodation, but if the wheat
does not come their way steamers must
be built larger than the Georgia and Lon-
dale will be of sufficient carrying capa-
city to handle all that is offered.

Captain Worsnop further said that it
was not decided what would be done in
regard to steamers. There were so many
things which might affect any arrange-
ment which he would make, that it was
premature to make an announcement.

ARRESTED FOR FISHING IN VICTORIA ARM

Found Using Drag Seine and
Remanded Until
To-morrow.

George A. Catulish and Louis Mon-
tallo, foreigners, were charged in the
police court this morning, under the
Dominion Fisheries Act, with fishing
in Victoria Arm for herring with a
drag seine without license.

There was a second charge against
both men of using a herring drag seine
in Victoria Arm. A remand was grant-
ed until to-morrow morning to allow
the men to obtain legal advice. They
pleaded not guilty.

Magistrate Jay asked that an inter-
preter be provided to-morrow morning,
and was informed by the fisheries in-
spector that he was unable to provide
an interpreter without first obtaining
consent from Ottawa.

Max Sniderman pleaded guilty to a
charge of vagrancy, and was fined \$50,
with the alternative of three months
in jail. Five drunks paid the usual
fines for their over indulgence.

NORTH WARDS WIN.

In the initial game of the junior
soccer league Saturday afternoon the
score of six goals to nil from the Esqui-
malt eleven. The game was played at
the Canteen grounds, and was some-
what one-sided. The wearers of the
blue and white had the best of the
play during the greater part of the
game. The naval players made several
rushes on their opponents' goal, and
tried hard to score, but owing to the
excellent playing of the Wards' backs
the Esquimalt boys could not score.

The team work of the Wards was
especially noticeable, each player know-
ing the play of the other. On the
other hand the Esquimalt boys were
not so well advanced in the game as
their opponents.

The line-up of the winning team was
as follows: Goal, J. Eagon; full backs,
H. Menzies and J. Williams; half
backs, S. Dinsdale, G. Wooley and F.
Nobbs; forwards, C. Duncan, P. Hum-
ber, C. McKenzie, P. Holle and R.
Meldrum.

W. Mesher, who acted as referee,
gave entire satisfaction to both sides.

THE DOCTOR SAID HE COULD NOT LIVE

An Almost Fatal Illness Following
An Attack of LaGrippe.

The danger from grip is seldom
over when the characteristic symp-
toms, the fever, the headache and the
depression of spirits, pass away. Grip
leaves behind it weakened vital pow-
ers, thin, watery blood, impaired dig-
estion and over-sensitive nerves—a con-
dition that makes the system an easy
prey to pneumonia, bronchitis, rheu-
matism, nervous prostration and even
consumption. Too much stress can-
not be laid on the importance of
strengthening the blood and nerves
during convalescence, and for this pur-
pose no other medicine can equal Dr.
Williams' Pink Pills which contain the
elements necessary to enrich the blood
and restore weakened nerves. Mr.
James L. Whitman, Mulgrave, N. S.,
says: "Following a severe attack of
La Grippe I was completely prostrated.
The doctor who attended me said that
my whole system had gone wrong. My
heart was affected, my kidneys weak-
ened, digestion impaired, and to make
the trouble worse I had a hemorrhage
of the bowels, and nearly bled to
death. The doctor said I could not live,
and told my wife to tell me that I had
better settle up my worldly affairs. I
did not care to live my sufferings were
so intense, I could not sleep, my ankles
and feet were swollen, and my com-
plexion very yellow. Friends came
to see me for the last time, and one
of these, more hopeful than the others,
persuaded me to try Dr. Williams' Pink
Pills. While I had but
little faith that they would help me I
decided to try them. Quite soon they
seemed to benefit me for my appetite
improved and my heart became strong-
er. Continuing the use of the Pills it
was not long before I was able to be
out of bed, and after using fifteen
boxes I am in good health for a man of
my age. The doctor and those who
knew of my case look upon me as a
living wonder, as none of them ex-
pected me to get better."

You can get Dr. Williams' Pink
Pills from any medicine dealer or by
mail at 50 cents a box or six boxes
for \$2.50 from The Dr. Williams' Med-
icine Co., Brockville, Ont.

ASK GOVERNMENT TO FIX FREIGHT RATES

Boards of Trade Want Clause
in C. N. R. Con-
tract.

(From Monday's Daily.)

That freight rates on the C.N.R.
should not be any higher than those
charged on the Eastern lines was the
proposition which was placed before
the provincial government this morn-
ing by a deputation which was repre-
sentative of the leading Boards of
Trade of the province, including Victo-
ria, Vancouver, Nanaimo, New
Westminster and Kamloops.

For two hours this morning the
members of the deputation had a con-
ference in the Board of Trade rooms,
and at 11 o'clock went over the Bay and
met Premier McBride and the other
members of the cabinet. Messrs. Wm.
Mackenzie and D. D. Mann were pre-
sent during the interview.

While the Island boards stood out
for rates no higher than the East,
Vancouver was willing to concede an
increase of five per cent. on account of
the mountain railroading. Whatever
rates the government thought should
be fixed the deputation asked that
they should be made part of the con-
tract.

The Premier promised that the re-
quest of the deputation would be given
earnest consideration, and the framing
of the contract which is now being
drafted.

Sir Melville Beaghecroft, chairman of
the London county council, opened the
new buildings of the Coopers' Company's
school, erected at a cost of \$188,000, in
Tredegar Square, Bow, London.
