

Borden Given a Grand Reception At Woodstock.

Emmerson is Becoming Rattled and is Trying to Have Clarence Spooner Start a Liberal Paper in St. John.

Conservative Leader Greeted by an Immense Audience—Outlook Grows Brighter Every Day Throughout Canada.

(From Friday's Daily Sun.) Reports from all parts of Canada are satisfactory to the conservatives. Mr. Borden has closed his tour in Quebec and leaves that province with the tide running fast in his direction.

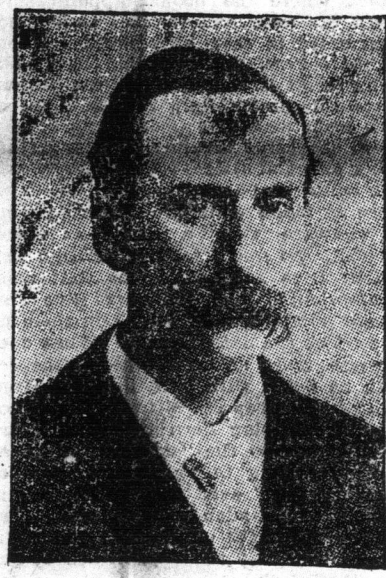

Geo. V. McInerney.

cord, who is in Halifax on business, to meet him here tonight. The Record has been in existence only a few weeks. The paper claims to be published in the interest of railway men and to be independent of party politics.

MR. BORDEN'S GREAT RECEPTION AT WOODSTOCK.

WOODSTOCK, N. B., Oct. 20.—If Mr. Borden meets with such successes generally as greeted him in the Opera House here last evening he has indeed a reason to be pleased with the outlook. At seven thirty seats began to fill, and long before the meeting opened standing room was at a premium.

G. W. Ganong.

Have not the people of Canada the same right over the corporations? Are not the people of Canada greater than any corporation? If the conservative party has power, by the will of the people, the people will control and control this great national highway (great applause). The opposition gave notice to the government and to the railway company. There is no question of repudiation. The people would treat the company as any railway company treats a private individual.

Some one in the audience interrupted at this stage by saying "Emmerson will talk tomorrow night about Mr. Blair." Like a flash Mr. Borden replied, "I think the amusing part will be when Mr. Blair comes to talk about Mr. Emmerson" (loud laughter).

Concluding he wished all conservatives in the county to stand firmly by Mr. Hale in this contest (loud applause). Mr. Hale is a valuable member on committees, and when he speaks in the house he is listened to with respect and attention by men in the house.

ENTHUSIASTIC MEETING HELD LAST EVENING.

An enthusiastic meeting of the Lorne and Lansdowne ward committees was held last evening in the Temple Hall, Main street. About five times the necessary number of delegates were present and great interest was taken in the business of the evening.

MR. BORDEN WILL SPEAK FOR ABOUT THIRTY MINUTES.

The procession will leave City Hall at ten sharp and will catch the 10:15 train. Mr. Water street they will be met by the city ward committees and will march from the ferry in the following order:

- Band. Borden Club. Carleton friends. Mr. Borden and party. Pipers. City ward committees. Boys' Brigade band. Citizens of St. John.

THINK GANONG HAS NOTHING TO FEAR.

Scott E. Morrell returned yesterday from his stumping campaign in Charlotte county. All the meetings, he said, had been most satisfactory, and from appearances he would judge that the conservative cause had never been so strong in Charlotte as it was at the present time.

WANTED TO SECURE SPACE IN SUN AND STAR.

The government campaign managers in this city have been trying to make up for their shortage in journals by buying space in the papers to present their statements. It was found that the management of the Sun had no space to dispose of in this way just now.

ARRANGEMENTS FOR SATURDAY EVENING.

The Borden Club will meet at their rooms at a quarter past seven on Saturday evening and will go to City Hall, Carleton, where the band will be in attendance. The speakers will be H. O. McInerney and Milton Price of the Borden Club and Aid. Maxwell and J. B. M. Baxter. At 9 p. m. Mr. Borden and party will arrive. Beverly Armstrong will offer the leader the honorary presidency of the club, and the band will play.

EMMERTON TRYING TO BUY CLARENCE SPOONER.

MONCTON, Oct. 20.—Hon. H. R. Emmerson has become desperate over the state of affairs in this province and fears that he would take a short holiday. He remarked that he could not account for the extraordinary interest which was being shown regarding his intentions. True, it was said that his appointment as chief commissioner was for a period of ten years, but that did not preclude him from resigning the office at any time.

HON. MR. BLAIR Still Declines to Talk of His Retirement.

OTTAWA, Oct. 20.—Hon. A. G. Blair was busy in consultation with his late colleagues on the railway commission this morning regarding certain undispensed cases in which judgments had to be given. To your correspondent Mr. Blair intimated that he had no public statement to make in regard to his movements in the immediate future. In reply to enquiries, Mr. Blair admitted that he had received many invitations to address public gatherings, all of which he had declined. The last to come to hand was from R. L. Richardson who is opposing Mr. Sifton in Brandon.

WOODSTOCK DRILL HALL.

OTTAWA, Oct. 20.—The public works department has awarded the contract for the conversion of the old rink at Woodstock, N. B., into a drill hall at Williamson Fisher of Woodstock. The contract price is about \$32,000. SOLOMON BERRY DEAD. MONCTON, Oct. 19.—Deacon Solomon Berry died at Turtle Cove yesterday, aged 80. He had been troubled for some years with an affection of the heart, Decaying was for more than a quarter of a century a deacon in the Baptist church and was greatly respected.

THE POT IS BOILING DOWN IN CHARLOTTE.

ST. STEPHEN, N. B., Oct. 20.—Political meetings have been held in Milltown last night and tonight. St. Stephen is without a hall of ample proportions and large meetings cannot be held here. The meeting last night was in Mr. Gillmor's interest and was addressed by Mr. Sweeney and Mr. Atkinson of Moncton and Mr. Gillmor of Montreal.

A CLOSE CALL. James Kelly Badly Shaken Up on Street Car.

A serious accident occurred on a street car which caught near crossing James Kelly of Loggieville his life about seven o'clock last night. As the car in charge of Motorman Fred Parlee and Conductor Harvey Cunningham reached the corner of Paradise row and Wall street the cries of some small boys attracted the attention of the conductor, who, looking back, was horrified to see the body of a man caught between the rear fender and the end of the car and being dragged along. The car was at once stopped and the unfortunate man picked up in an unconscious condition. He was carried into the car and Dr. MacLaren sent for. At first it was thought he had received a shock as a result of his hand coming in contact with the electric wire connecting the headlight with the motor, but it was later ascertained that this was not so. Dr. MacLaren had the man removed to the hospital, and it was not until three hours later that he regained consciousness. Although a careful examination was made the doctors could find no evidence of external injuries. For a time they were afraid that he had received internal injuries which would result seriously, but at a late hour last night the doctor did not anticipate any danger, although they realized that their patient had received a very severe shaking up. James Kelly, after he came to, said he was unable to remember anything about the accident. He came here yesterday from his home in Loggieville and was on his way to Bangor. He does not remember walking along Paradise row, neither does he remember seeing any street car. It is just possible that Kelly may have taken a fit, for the doctor said last night that he was sober. People do not "pass by on the other side" of stores that are advertised—unless the stores on the "other side" are better advertised.

MONTEAL HERALD IS FEELING AFRAID.

MONTEAL, Oct. 20.—In the absence of definite news as to Mr. Blair's intentions newspapers and politicians are being engaged in making jobs for him. All the big Canadian railways have had him trust upon them, and all have announced that they are not guilty. The Herald, which is in blue funk tonight, says that Blair will become manager of the Lake of the Woods Milling Co. at a salary of \$30,000 per year. The basis of this story is the fact that David Russell was the promoter of the Lake of the Woods company. The improbability of its truth is contained in the fact that the manager of a modern milling company requires a technical knowledge which certainly is not numbered among the numerous accomplishments Mr. Blair possesses.

LIVELY NOTES FROM THE CAPITAL.

FREDERICTON, N. B., Oct. 20.—It would be interesting to the people of the province to learn just what the attorney general's election predictions at the present time are. The conservatives want to keep their eyes open. There is very much the appearance that plans are being put into operation to work some of the notorious Ontario election tricks in New Brunswick. A prominent citizen said tonight that he did not believe that the attorney general had deserted the liberal party. If any desertion took place it would not be until after election.

THE GLOBE'S CHARGE THAT HE ADVOCATED CONSCRIPTION IS UTTERLY UNTRUE.

He has always opposed conscription. He merely revised the old militia act by removing the conscription, keeping the same principles and introducing no new obligation for adult citizens. He did not recommend a permanent corps of five thousand. He only gave power to enlist if it required the future. The charge that he wished abolition of schools of instruction is also absurd as these formed an essential part of this scheme. A letter fully explaining these facts is now on its way to Canada.

J. C. Bergeron.

Today the liberal party in Milltown is split in two hostile camps, and the quarrel is said to be over who shall get an appointment as a customs officer. Liberalism is at a low ebb in Milltown, and an increased majority for Ganong is confidently expected there as elsewhere in the county.
