TERMOOR

That's the way every OSTERMOOR owner feels after his first night on this famous Mattress; it soon becomes a hardship to use any other.

C One-third of your life is spent in sleep. If you spend this time (as so many people do) on a hard, lumpy, unsanitary hair or mixed Mattress, made worse by a sagging woven-wire spring, why should you expect real rest-even if you do own a \$50 bed?

C.A soft resilient Ostermoor Mattress (preferably on a Banner Spring) will give you an entirely new idea of sleep comfort. You pay

\$18 FOR FIFTY YEARS

I And you pay it only once because the Oster-moor, unlike other mattresses, never needs cleaning or re-making. I This means 36 cents per year. Who can't afford that?
