Another New  
Baseball RecordSt. Louis Nationals Has Re-  
ceived Offer of \$300,000  
and 4 Players for Hornsby.

St. Louis, Jan. 7.—Another new record has been created in the history of baseball finance by the report from Houston, Texas, quoting Branch Rickey, manager of the St. Louis Nationals as stating that the club has received a bona fide offer of \$300,000 and four players for Rogers Hornsby, Cardinal second baseman, and champion hitter of the National League.

This figure more than doubles the reported purchase price given by the New York Yankees for "Babe" Ruth in a deal which was conceded to put a record valuation of a players' services, and is just twice the size of the offer made by the New York Nationals for Hornsby early last season.

Charles Comiskey  
Is Optimistic"Old Roman" Says He Don't  
Expect Any Help—Would  
Purchase Players.

Chicago, Jan. 7.—The return of owner Charles Comiskey, of the crippled White Sox team, from a northern hunting trip, revived hopes today concerning the line-up of the south side American League club for the coming season.

Optimistic statements came from the "Old Roman" over the team's prospects, despite inability to buy or trade for good players from other major league teams.

"I don't expect any help," Comiskey said. "We might make a trade if we wanted to, but we have not got any trading material. We need all the men we have left. I guess no one wants to sell us any players. If they did they probably would be letting us know about it, for they know we would like to buy."

At least two of the team's recruits, Comiskey declared, are ready for regular berths. One is Johnny Mosta, star outfielder last year on the Milwaukee American Association team who is backed by Outchey Ray Schalk for lead off man in the batting order, and the other is Earl Sherry, heavy hitting coast league first baseman.

Ernie Johnson, coast league short stop, with better than a .300 batting average last year, is also said to be ready for a White Sox debut, to fill another important gap left by the dismissal of seven players involved in charges of throwing games in the 1919 world series.

Levinson And  
Herman MatchedFamous Fighters Matched Re-  
spectively to Meet Wilde  
and Wells in London.

London, Jan. 7.—Pete Herman, former world's bantamweight champion and "Battling" Levinson, the former light heavyweight champion, who are matched respectively to meet Jimmy Wilde and Bombardier Wells at Albert Hall, London 12, are in training at Thames Ditton, a London suburb, where English boxing enthusiasts daily watch them in their workouts.

Notwithstanding the recent decision obtained by Joe Lynch over Herman in New York, Herman is being claimed here as the world's bantamweight champion. Herman and the English promoters, are maintaining that only by a knockout could Herman have lost his title, that a fifteen round contest to a decision had no bearing on Herman's status, and that if Wilde wins here, he will be the world's champion.

The promoters of the bouts base their views on rules drawn up at the Paris conference in 1918, of world boxing experts, at which the United States was not represented, and upon what the English promoters state there is a general understanding that bouts should be for at least twenty rounds.
