Rochester, N. Y., March 2, 1916. I have received the most wonderful benefit from taking "Fruit-a-lives". I suffered for years from Rheumatism and change of life, and I took every remedy obtainable without results. I tried "Fruit-a-lives" and it was the only medicine that really did me good. Now I am entirely well—the Rheumatism has disappeared, and the terrible pains in my body are all gone. I hope that others, who suffer from such distressing diseases, will try "Fruit-a-lives".
