The testimony of our best citizens, of all classes, establishes the fact, that Cherry Pertoral will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Comsumption, cured by this preparation, are publicly known, so remarkable as hardly to believed, were they not proven beyond dispute, as a remedy it is adequate, on which the public may rely for full protection. By curing Goughs the forerumers of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should the distressing diseases which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it.
