## For Sports Occasions Here Are Gay Hued Sweaters In Every Color Of A Generous Rainbow

Answering the call of the Out-of-doors becomes doubly pleasant when one may don a gorgeous Sweater of lemon, raspberry, smoke blue or any of the rich, vivid colorings which now prevail here. And the styles are piquant, as one sailed collar mode will attest. Buttons seem to be the favorite trimmings of these smart Sweaters, but many take novel belts and pockets in which it is very convenient to slip one's golf balls.

### Gleanings From the M. O. League

Unless Pitcher Fred Aichele quickly changes his mind he will not be with the Toronto Club or any other in organized baseball this season. The Toronto management notified him yesterday that he was to report to the London Club of the Michigan-Ontario League. He rebelled and was told that he could go to London or to his home in Bayonne, N.J. He chose the latter course. Aichele did not measure up to the requirements of Manager George Gibson and it was decided by the club to send him to a league of a lower classification than the International for reasoning. The decision did not meet with his approval. He is unquestionably a boy of promise and a year in the M.O. League would undoubtedly be of benefit to him. The big lad is only twenty years of age. D. Howley thought he would develop rapidly and advised against his sale last season.

Instead of Aichele the London Club will get Quinn his fellow-outfielder from Bayonne. Quinn is a left-hander who appears to have the qualifications of a successful twirler minus experience. Manager Frank Shaughnessy of the Hamilton team of the Michigan-Ontario League was in town yesterday morning to confer with President McCaffery concerning some of the surplus of the Leafs. The Toronto club will strongly recommend that the Hams take infielder Busse to Cleveland youngster, who was sent the Leafs by Bill Bradley the former Toronto third baseman. Busse is returned from France where he won the Distinguished Conduct Medal with the American troops.

Four New York State infielders and four Canadians reported to London headquarters with Jo Keenan yesterday. The American party consisted of Clark Donnelly, Vermily and Flanders, Lieberman, a big right-handed pitcher from Walkerville, who has played among the city leagues of Detroit was the first and only hurler thus far to put in an appearance while Frank Hess and Summerhayes, two catchers, the former from Cottam and the latter from Brantford, along with Alex. Hill of Toronto, the outfielder, who had a tryout with the Leafs last year, made up the Ontario contingent. Rain which fell in the morning deprived the players of a workout and the fact that Manager Keenan had not returned from Buffalo in time to put them through their paces had fine weather prevailed left the boys without sore muscles for another day at least.

The clubs of the Michigan-Ontario Baseball League are all beginning their training seasons this week, in preparation for the opening games on May 15. The pitchers and catchers of some of the teams reported several days ago, but the other players have not been called until now. In a majority of cases no large squads will be requisitioned. The same salary limit that has been adopted and ease with which experienced minor league players can be secured, is responsible for this.

The league will have its final business meeting preparatory to the season on Sunday next in Detroit. A call for this session will be sent out by President Jackson to-morrow. Its main purpose is to ratify the constitution and by-laws and to approve of the umpire staff that has been selected.

Two more of Manager George Gibson's Toronto recruits have gone to the Michigan-Ontario League. Infielder Busse to the Hamilton team, managed by Frank Shaughnessy and Pitcher Hanson to "Jo Jo" Keenan's London.

Shaughnessy and Keenan were in town yesterday eager to secure some of the promising talent which had been signed by the Toronto club. The Hams needed an infielder and in Busse they have secured a youngster of exceptional promise. He ought to develop rapidly under the coaching of Shaughnessy.

Hanson went to London yesterday with Keenan. He is a left-hander with a good reputation in Maritime Provinces semi-pro circles and will get a thorough trial with the Forest City team.

Manager Shaughnessy announced while in town that he had received the signed contract of Guy Zinn the slugging outfielder formerly of the Baltimore Inter-nationals and Eastern and Boston Nations. Two other players secured for the Hams yesterday are infielder Carlin last season with a shipyard team, and Pitcher Loach recommended by President Navin of the Detroit Club. The Hams now have fourteen players signed. The advance guard of the candidates will report at Hamilton to-morrow.

### THE BEAVERS HAD A WORK-OUT YESTERDAY AFTER-NOON

Kitchener's Beavers had their first workout under the direction of Manager Jack Beatty at Victoria Park yesterday afternoon.

Among the players were Ovid Nicholson, outfielder; Tommy Bird and Beatty, infielders; "Rip" Harrison, catcher, and John Wilgall, pitcher. Andy Kyle did not report yesterday, but sent word that he would be on hand by Wednesday. Manager Beatty expects to have his entire squad in active training by Wednesday afternoon.

### GRAND STAND BEING MOVED

The grand stand at the Athletic Park is being moved this afternoon to make room for the new diamond which is also being laid out. Another addition will then be added to the old grandstand.

City League to Be Organized  
A city league baseball team is about to be organized between Waterloo and this city. The best players will be picked for this team.

There are several other clubs organizing teams including the north ward which could pick a good team from the three teams that are in that ward. There is also an intermediate team being organized, there will be all good players, but not quite as fast as those in the Inter County League.

### Prominent Bicycle Manufacturer Passed Away

William Hyslop Jr., president and manager Hyslop Bros. Limited bicycles and automobiles at his home in Toronto died Saturday at Wellesley Hospital. Mr. Hyslop was taken ill with influenza a week ago and although everything possible was done he passed away Saturday afternoon.

Born in Hamilton, November 8, 1871 son of William Hyslop he was educated in Public school and collegiate Institute and Upper Canada College. He commenced a successful business career with his father in Toronto in 1888 and engaged in business for himself in 1890 handling bicycles. His present business was established in 1900. The late Mr. Hyslop held all the championships in bicycle riding one quarter to five miles, 1899. He also held the championship for swimming 100 yards. After he retired from active participation in athletics, Mr. Hyslop retained his connection with sport both here and across the line belonging to many famous sporting organizations and clubs.

During his later years Mr. Hyslop became an ardent golf enthusiast and he belonged to Lambton Golf Club, National Club, Ontario Jockey Club, Scarborough Club, Detroit Athletic Club, Buffalo Automobile Club, Detroit

Automobile Club, Question Club of New York, the Lake Shore Club, Royal Canadian Yacht Club and the Masonic Order.

He is survived by his widow Mrs. Margaret Hyslop, a daughter, Mrs. Gordon McCarter, of Toronto, two grand children and a son, George, at present attending Ridley College. His father, William Hyslop also survives and is at present at his summer home in California.

The players who will try out for the Brantford team of the Michigan-Ontario League commenced to arrive here last evening. The list of the Brantford club to date is: Pitchers, Winslow, Gokey, Estell, Lacey, Walker and Myers, catcher Tyson, first base Smith, Sullivan; second, Kennedy; third, Palmer; shortstop, Johnny Murphy; outfield, Burrill "Marty" Murphy, Maxwell, McKelvey.

Martin Murphy and Johnny Murphy are brothers the former having been lead-off man for Buffalo in the International and the latter having played for Hamilton in the Canadian League.

### LEWIS MEETS BISCUITS IN BOUT TO-NIGHT

Ed. "Strangler" Lewis, of Kentucky, and Wladek Zbyszko, the Pole, said they were in prime condition for their finish wrestling match, catch-as-catch-can style, at the Coliseum last night. The winner, it was said, would be matched with Sgt. Earl Caddock, who is still in the army, for the world's heavyweight title.

The men have met several times within the last two years without a decision, but recently in New York Zbyszko defeated Lewis in a one-fall match.

### LEONARD REGAINS HIS PRESTIGE

Benny Leonard, the lightweight champion of the world, stopped Willie Ritchie, of San Francisco, the former holder of the title, in Newark, in the eighth round. Referee Jim Brennan stopped the bout a minute and a half after the round started, when Ritchie was helpless on the ropes. Except in the third round, when Ritchie made a rally and forced the champion backward around the ring, Leonard had the best of the bout.

### As Old as his Arteries

The doctor can't help it. He knows that the man has hard arteries, high blood pressure, and beginning kidney and heart disease, due to long neglected chronic constipation.

It isn't the other man's fault—directly. He's only 45—but he never realized that his constipation was a serious thing. He never knew how to treat it. He has taken bushels of pills, gallons of castor oil, mineral waters and salts, which have battered and tortured his alimentary canal from one end to the other; and he wonders why his health keeps getting worse. He doesn't know that his food waste has poisoned him, and has bred disease that is going to "get him" before his time.

Nujol is for just such a man—for every person whose bowels do not move easily and thoroughly at regular intervals—especially for those in advancing years whose body machinery will not stand rough treatment.

Nujol softens the accumulated food waste in the large intestine, and moves it gently out of the system, carrying those poisons with it, which, if allowed to remain, cause over 90% of human illness. Nujol supplies the lubrication that Nature can't supply as age begins to make itself felt.

This man might have known in time—but Nujol is new—the accepted modern treatment for constipation.

You can avoid such a misfortune as his. Get a bottle of Nujol from your druggist today and send for free booklet "Thirty Feet of Danger" expressing clearly the soundest medical authority on constipation and self-poisoning.

**Warning:** Nujol is sold only in sealed bottles bearing the Nujol Trade Mark. At all druggists. Insist on Nujol. You may suffer from substitutes.
