## THE DANGER IN DELAY!

THE realization of the absolute uncertainty of life—for even a single day—by the closest thinkers, led to the invention of Life Insurance, whose mission is to meet uncertainty with certainty. If proper provision has been made, The Continental Life Insurance Co. comes promptly to the relief of the family, surprised and bereaved, every time.

For example: An expenditure of only 49.50 per annum on the part of a policyholder aged 30 will guarantee to his wife, aged 25, an income of \$10.00 per month for at least 20 years after his death and as long thereafter as she may live—or

An expenditure of only \$63.05 per annum on the part of a policyholder aged 40 will guarantee to his wife, aged 35, an income of \$10.00 per month for 20 years after his death and as long thereafter as she may live.

From these premiums larger incomes at the same ages may be ascertained. Write for rates for an income applicable to your own home.

See your nearest Agent of the Company, or write to either of the undersigned at Head Office for full particulars, stating your age at nearest birthday.

THE BEST BOOK OF 1917  
Dr. Denney's

## "Christian Doctrine of Reconciliation"

By far the best book of the past year is Dr. Denney's "Christian Doctrine of Reconciliation." It is by far the best book in the best world of books. Dr. Denney, while he lived, was by far the foremost theologian in the land, and while we bow to the will of God in this early removal of His greatly talented servant, let us always keep in mind the noble bequest of New Testament divinity he has left behind him: his "Death of Christ," his "Jesus and the Gospel," and, to crown all, his "Doctrine of Reconciliation." I cannot tell you, sir, all the expansion and elevation and exhilaration and gospelizing of mind and heart that have come to me from my repeated readings of that masterly book. Read it again and again yourself, and then preach its New Testament doctrine all your days. I do not know any modern book that has so much preaching power in it as this book has. And no old book, however true and powerful, will speak to preacher and hearer in our days as Dr. Denney's "Reconciliation" will speak.
