THE WORLD!

Since the change in the proprietorship (which took place May 1, 1876,) "THE WORLD" has become the brightest, sprightliest, most scholarly and popular journal in the metropolis. "It is entertaining, interesting, bright, decent, fair and truthful." It does wrong, wittingly, to no man, no creed, no interest and no party. The World believes the Democratic Party to exist for the good of the public service. It does not believe the public service to exist for the Democratic Party.

It is generally acknowledged that the
Sporting News

of THE WORLD is fuller and more accurate than that of any other Daily Journal. During 1878 THE WORLD will spare no trouble or expense to obtain the earliest and best accounts of Races (running and trotting), Fox Hunting, Yachting, Rowing, Base Ball, Cricket, Football, Lacrosse, Curling, Rifle Matches, Pigeon Matches, &c., &c. Nothing of interest to sportsmen will escape the attention of THE WORLD.

The Agricultural Department of THE WORLD is under the charge of D. T. Moore, the founder and for many years editor of

MOORE'S RURAL NEW YORKER.
