18 VICTORIA SQUARE,  
Nov. 21st, 1860.

GENTLEMEN,—I received, yesterday, your letter, conveying to me a Resolution adopted by the "University Medical Students' Association," requesting a copy of my Introductory Lecture for publication.

That lecture contained a biographical sketch of the life and labours of Dr. Holmes, our late Professor of the Principles and Practice of Medicine, and one of the founders of this School. While I feel sensible that it is marked by many defects, yet expressing my gratification at the estimate put upon it by the class, and which I question much if it merits, I nevertheless place the MS. at your disposal.

With the sincerest wishes for the prosperity of every member of the class,

Believe me,

Yours faithfully,

A. HALL.

To Messrs. F. D. SUTHERLAND,  
W. W. SQUIRE,  
E. H. TRENHOLME.
