

Follow the treatment below and you can keep your skin so that you can always be proud of it.

Examine your skin closely

See if the pores have become large and clogged; if it has lost its smoothness; if it has grown colorless.

These conditions of the skin are a natural result of the constant strain imposed upon it during the winter months, when we eat heavy foods and take almost no exercise. Each Spring, the skin needs refreshing.

How to refresh your skin

Wash your face with care and take plenty of time to do it. Lather freely with Woodbury's Facial Soap and rub in gently till the skin is softened and the pores open. Then rinse several times in very cold water, or better still, rub with a lump of ice.

Woodbury's Facial Soap is the work of an authority on the skin and its needs. This treatment with Woodbury's cleanses the pores, then closes them and brings the blood to the surface. You feel the difference the first time you use it.

Woodbury's Facial Soap costs 50c a cake. No one hesitates at the price after their first cake.

Go to your dealer's today and get a cake. Tear out the illustration of the cake shown below and put it in your purse as a reminder.

Spring Embroideries

Readers will please note that prices are quoted for stamped goods only excepting where working materials are specified. We do not supply embroidered articles

The April design for the Birthday Pillow shows a beautiful spray of pansies tinted in their gorgeous colorings. Great interest has been shown in this series, and we are sure our readers will appreciate this design. The flowers may be embroidered solidly or tipped long and short, if preferred, while the lettering is worked in over-and-over satin stitch in brown. The motto only requires outlining, and fine, black silk is suitable for this.

The spring season is the time to prepare the furnishings for the baby carriage, and the carriage robe and pillow will doubtless interest many of our readers. This is stamped on corded pique, and the design is for solid over-and-over embroidery. Long eyelets are shown through which ribbons may be

laced, and attractively finish this pretty Afghan. The baby pillow matches in design, and is one of the useful lacing variety, and comes in two pieces back and front.

No. 6304 shows an infant's shawl stamped on soft woollen voile, and silk is quoted to embroider this. The design matches the Afghan and baby pillow.

No. 6306. Infant's kimona is also stamped on the same material as the baby shawl, and this may be embroidered in either white or colors. If preferred, the little flowers could be worked in blues and the border in white, or pink coloring is attractive and dainty.
