

Drive to Begin

(Continued from page one)
 At present suggestions, help or ideas offered by anyone to help attain the end would be appreciated. The letter is to contain a self-addressed pledge card, which the donor is to fill out, stating his intentions or what sum he has sent to the Trust Fund which will be opened in one of our local Banks. This card will then be returned to the University.
 A unique idea has been hit upon but will demand the support of the students themselves, that is, of having a poster, styled after our advertising posters, sent to different towns in Canada. It is to be titled "U. N. B.'ers" and the message will contain our intentions, and our desire to contact them. But for this to succeed, each and every student here now who may know someone in any part of Canada will have to get a poster, or more, from the Senior Committee, telling it where they are sending it so that all the posters will not end up at the same place.

PROPOSED PLAN OF THE RINK COMMITTEE.

- The policy of the committee concerning the raising of money, construction of the rink and its operation shall be as follows:
 "The best rink financially possible is to be erected as a recreational centre by the University and the Students, for the University and the students and any other people that this body shall deem advisable. In no case is its construction or operation to be used as a profit-making scheme for outside groups. The control of the raising of the money, the operation of the rink is to remain in the hands of the permanent and senior committees."
- The organization will consist of two groups:
 (a) Senior Committee. Six members elected from the Senior Class.
 (b) Permanent Committee: 1. Registrar of the University (chairman); 2. President of the University; 3. Charles Fleet; 4. President of the S. R. C.; 5. President of the A. A. A.; 6. Manager of the Bank of Montreal.
 "a" will be the active group used to raise the money.
 "b" will be the advisory group and the trustees of all the money donated for the rink.
 3. No money donated for the rink will be used to finance the rink fund drive.
 4. The Senior Class will be responsible for the raising of money as finance expenses for Rink Fund Drive.
 5. No donation will be accepted which carries with it any "strings", such as granting partial control of the rink operation to the donor.
 6. Money to be raised by:
 (a) Circular Letter, to be composed by the Senior Committee and approved by the Permanent Committee.
 (b) To those former students who have become extra prominent men a personal contact by the chairman will be made.
 If this is impossible a personal, non multigraphed letter is to be sent.
 (c) It is to be the privilege of the committee to hold dances etc., to raise money for the fund or for the rink itself.
 (d) Each class "Up the Hill" shall be requested to contribute as a group.
 7. Until sufficient funds are obtained to build the rink, the Junior Class will elect 5 members to form the Senior Committee for the following year, this election to take

If I hadn't given up gossiping for Lent what I couldn't tell this week; but seeing how it is I'll just repeat a few tales that were told to me by brother Tom who got them from one of the visiting York County Councilors.

It seems that Duke Waring took a back seat again when Don Moore took over B. P. at the dance Friday night. Wouldn't you think that he had learned his lesson last fall?

Art Demers lost no time at the dance, in fact it went P. (D) Q.

Kay Bell certainly has a yearning for Rothesay boys. What have they got Kay?

place the first week following the Easter vacation.

7.(a) The chairman of the committee for the following year is to be elected from the Junior Class at the beginning of his Junior year. He will attend all rink meetings during his Junior year.

8. The Permanent Committee will not change except by the unanimous vote of the Permanent and Senior Committees.

9. The minimum objective of this drive will be one hundred thousand dollars (\$100,000).

10. Each former student and graduate is to receive in addition to the circular letter, a "Pledge Card" which he is to fill out, stating the amount he will give per year for as many years as he chooses, or a definite amount in one lump sum.

11. The circular letter will place emphasis on the policy of this committee who will handle the incoming money, the necessity of a rink.

12. Any meeting of the Senior Committee will be open to any person wishing to attend.

13. A rink Constitution will be drawn up previous to opening of the rink, whereby the S. R. C. shall receive all profits.

14. After the expenses of building, operating etc., of the rink, the Permanent Committee will decide the best use of the profit, in the interests of the students.

15. Fifteen per cent of the total fund will be set aside for an endowment fund for the upkeep of the rink.

May each and every student pride himself in giving our college a rink that will compare with our gym.

FIRST APPEARANCE DURING CO-ED WEEKS.

After three years of hibernating during this week of weeks, Fred Davidson came out Friday night while the Fleet was on the high seas.

Alvin Copp made his first appearance at a college dance and girls did you notice how he could Hold(h)er?

We understand that Ann Gibson turned a wrathful purple after a telephone conversation with the "Lone Ranger". We don't like the program either, Ann!

ON Sleighing
 Don Gammon, to Vince, just couldn't say no

When asked to go sleighing over the snow.
 Now, after twice in a bank and once up a tree,

I wonder what his thoughts can be,
 On sleighing.

Be seeing you next week kids and keep your noses clean for I'll be on the bottom of the pool watching you Bucks and Does at the Bunnies Bouncing Brawl, and naturally I'm going to be at the FunProm too, so watch your step.
 Your faithful shadow,

Two London cabmen were glaring at each other. "Aw, what's the matter with you?" demanded one.
 "Nothing's the matter with me."
 "You gave me a dirty look," persisted the first.
 "Well," responded the other, "now you mention it, you certainly have a nasty look; but I didn't give it to you."

"Undoubtedly about the finest dance of the year was held Friday night in the Beaverbrook Residence. Uffe Anderson and his committee of Stan Spicer and Blake O'Brien deserve a great deal of credit for the way they lavishly did the Residence up. One of the highlights was the use of an amplifier in the pool room piping the music in from the dining room. Around the sides of the pool were chairs and sofas and the use of colored lighting completed a perfect setting. In the pool itself was a float on which a rabbit was perched. Originally there were three rabbits but due to unforeseen difficulties the number had to be reduced to one.

"Be here on time," HE had said, so promptly at 8.30 p. m. the inmates of the Bunn, Hatch started filing in, as was ordered. On hand to greet the couples were Papa Davidson and his partner and the chaperones Prof. and Mrs. A. Boone, Prof. W. G. Jones, Prof. L. Thompson and our own inimitable little Howie.

S. R. C.

The venerable Mr. Fettes brought the regular S. R. C. meeting on Friday 23rd, to order by asking that the minutes of the last meeting be read and adopted, which was promptly done.

The first item to be discussed was the opposition that had cropped up to the plan of obtaining a covered rink. Namely, that Mr. Sears as Sec'y. Treas. of the Alumni Society and Dr. Gregg as chairman of the Senate, could not sit on the permanent rink committee without the consent of the respective groups. The other objection put forth was that the Senate had planned to turn the Memorial Hall over to the student body, and that the money needed for this conversion, was to be obtained in the same way as the rink fund, namely by appeal to the Alumni. As to the first objection surely Mr. Sears could obtain permission from the Alumni. If he couldn't it would be good-bye rink, because if they didn't have enough interest for that, they would hardly have enough to respond to the financial appeal that we intend to send to them. Dr. Gregg should be able to get permission from the Senate since it involves no monetary loss on their part. Concerning the second objection, the council feels, and, I am sure the student body feels, that a covered rink of the pro-
