Wolfville, N.S.

July 31st. 1925.

Dear Mr Meighen:

I am prepared to enter contest, Kings-Hants N. S.. DeWitt Foster looks formidable in west Kings, not so strong in east Kings and Hants. I have an ideal for public life with a different background than Foster. If you are favorable to my candidature, a wire from you to T. P. Calkin, Kentville, N. S. would help out.
