Dear Sir:

In reply to yours of 19th inst. also copy from Soldiers Settlement Board Winnipeg stating you want my regimental number this is it. 892537. 8th Batt. I was with in France. The South East of 6-9-13. W. I. I bought from the (Bay's) ranching Co. & nearly had it paid for before I left for overseas most of the encumbrances the Soldiers Settlement Board settled for me when I came back was interest accumulated while I was doing Service on \$800. that's why I think I have not had my rights as a square deal. having this land before I left fairly well stocked then sold my stock & come back to the 1919 high prices. they are one or two good hay meadows Quarters within 9 miles of this land which would help me out considerably. Thanking you for your efforts towards me Sir. & with all my might my help will be with you when it lies in my power.

Yours very truly
J. Morgan
