

great satisfaction of the Indians connected with the Methodist Mission. There is no allusion in your letters "to Picks and Shovels" and Dr. Powell has no recollection of any having been promised the Indians.

Dr. Powell also encloses a copy of a letter from you stating that one of the uniforms given was not a good fit, but in his reply of which he also encloses a copy the reason of his inability to supply another was fully given to you.

With regard to the flag supplied, Dr. Powell states that you requested a Dominion flag in preference to the usual English design and as there was no Dominion flag to be had in the market at Victoria, he was obliged, in order to keep his promise to
