Director General, Air Services,
Department of Transport,
No. 3 Temporary Building,
Ottawa, Ontario.

1. A copy of your letter of February 5, 1959, to the Montreal Region concerning the future disposition of the marginally noted aircraft was forwarded to this office for reply, as the owner of this aircraft is located in our Region.
2. This office has on four occasions written to the registered owner, Mr. Gerald Quinlan, concerning the future disposition of this aircraft and two others, CF-FCP and CF-EHI, but to this date have not received a reply. It is believed that Mr. Quinlan has been re-admitted to an Ontario Mental Hospital and further pursuit of this matter at this time would be of no avail.
3. Our files with regard to these aircraft owned by Mr. Quinlan will be brought forward in ten months and attempts to contact him will be made at that time.
