

Montreal, March 18, —.

*I, the undersigned, being desirous of obtaining the degree of Doctor of Medicine and Surgery, do hereby declare that I have attained the age of twenty-one years, (or if the case be otherwise :—that I shall have attained the age of twenty-one years before the next graduation day) and that I am not (or, shall not be at that time,) under articles as a pupil or apprentice to any Physician, Surgeon or Apothecary.*

(Signed)

A. B.

10th. The trials to be undergone by the candidate, to be :—

1. An examination into his classical qualifications; and if these be found satisfactory—

2. A general examination on all the branches of Medical and Surgical science, which examination shall not be of less duration than one hour, unless it be ascertained that the candidate is quite unprepared; in which case the examination may be closed.

3. The public defence of his inaugural dissertation at or within seven days before, the graduation.

11th. All trials of candidates shall take place between the 24th day of March and the 25th day of May, of each year, which latter day shall be the day for conferring degrees, a ceremony which shall be conducted publicly. Provided always, that if the latter shall fall upon a Sunday, or Holiday, (Fete d'Obligation) the ceremony shall be deferred to the day following.

12th. The fee for the degree of Doctor in Medicine and Surgery, shall be five pounds, Halifax currency, to be paid by the successful candidate, before the day of graduation, to the Registrar, together with a fee of five shillings for entering the same into a register kept by him for that purpose.
