 Orders punctually executed, and forwarded to any part of British North America.

HÆMORRHOIDS—NO CURE NO PAY!
 Price \$1—Hay's Liniment—No Fiction.
THIS extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invented with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Goldley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.
 It is now used in the principal hospitals and the private practice in our country, first and most certainly for the cure of the Piles, and also so extensively and effectually as to baffie credulity, unless where its effects are witnessed externally in the following complaints:—
 For Dropsy—Creating extraordinary absorption at once.
 All Swellings—Reducing them in a few hours.
 Rheumatism—Acute or Chronic, giving quick ease.
 Sore Throat—By cancers, ulcers or colds.
 Croup and Whooping Cough—Externally, and over the chest.
 All Bruises, Sprains and Burns—Cutting in a few hours.
 Sores and Ulcers—Whether fresh or long standing, and fever sores.
 Its operations upon adults and children in reducing rheumatic swellings, and loosening congests, and tightness of the chest by relaxation of the parts has been surprising beyond conception. The common remark of those who have used it in the Piles, is "it acts like a charm."

THE PILES.—The price \$1 is refunded to any one who will use a bottle of Hay's Liniment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the Agents, and out of the many thousands sold, not one has been unsuccessful.
CAUTION—None can be genuine without a splendid engraved wrapper, on which is my name, and also that of the Agents.

PILES, DROPSY, SWELLINGS, ALL SORES, RHEUMATISM. It is absolutely asserted on the most positive proof that the above complaints are arrested and cured by the timely use of Hay's Liniment. It is impossible to find room in this paper to present those proofs which are conclusive and convincing. They may be seen at length below.
 The true article has a splendid engraved wrapper with agents' and proprietor's name, and may be had of
