"GALT" SHINGLES

This ingenious and yet simple and easy-fitting construction makes a "Galt" Shingle roof absolutely weather-tight. It prevents wind from driving rain or snow up and out of the top end of side lock, as so often happens with ordinary metal shingles. There is not even the smallest opening—this cannot be truthfully claimed for any other steel shingle.

The material is the Best British Galvanized Steel embossed in a bold Gothic Tile pattern—"a thing of beauty and of joy forever." Catalog "E-3" gives complete details of this newest and best shingle.

herd, Gano's Favorite Butter Boy, 6654 C.H.B., realized \$325, going to Mr. George Ward, of Brantford. Major Almas said regarding the sale, "It is the finest herd of Holsteins I have ever sold and their condition reflects the greatest credit on Mr. Sterenson and his son. It is a pleasure to see such a herd and it goes to show what can be done in using good common sense and a judicious selection of sires." The sales made and the prices realized will be found on page 31, of this issue.

Experiments with Farm Crops

The Ontario Agricultural and Experimental Union is prepared to distribute for 1909 into every township of Ontario, material of high quality for experiments with fodder crops, roots, grains, grasses, clovers and fertilizers. This notice was received in time for last issue but owing to limited space it did not get published. The list of experiments follows:

Each plot is to be two rods long by one rod wide except No. 28, which is to be one rod square. Any person in Ontario may choose ONE of the experiments for 1909 and apply for the same. The material will be furnished in the order in which the applications are received while the supply lasts. It might be well for each applicant to make a second choice for fear the first could not be granted. All material will be furnished entirely free of charge to each applicant and the produce will, of course, become the property of the person who conducts the experiment. C. A. Zavitz, Ontario Agric. College. Director.

The leading men of the town of Picton and of the surrounding county recently tendered R. M. Winslow, B. S. A., a banquet and watch on the eve of his departure for the West. Mr. Winslow has accepted an appointment on the Fruit Branch of the Dept. of Agriculture, Victoria, B. C.
