**The Kinellar Lodge Dispersion Sale.**

The dispersion sale of John Isaac's Shorthorn herd, at Markham, was an unqualified success, prices running higher than even the most sanguine expectations. This is the more gratifying in view of the fact that the great majority of the animals fell to the bids of Canadian breeders, the attendance of United States buyers being limited, owing to a combination of circumstances, among which was the occurrence of a number of large Shorthorn sales in the States at about the same time. Still, there was quite a helpful sprinkling of bidders from over the line, and a few of the animals went that way. Manitoba furnished the largest buyer, W. S. Lister, of Middlechurch, having claimed eleven head, at an average of \$382, while John E. Smith, Brandon, took three at an average of \$342. William Chalmers, Hayfield, Man., bought the bull calf, Banks o' Don, at \$300, and Thomas Speers, Oak Lake, took Fancy Ury at \$215, and the 8-months calf, Lord Roberts, at \$175. W. D. Flatt, Hamilton, secured the grand roan Kinellar Claret 2-year-old heifer, imp. Daisy 3rd, at \$1,600, the highest price of the day, and Rosebud 2nd at \$1,025. W. H. Gibbon, for Senator Drummond, of Montreal, claimed the red yearling heifer, Lavender 42nd, by imp. Golden Measure, at \$1,050, the second highest, and the roan 2-year-old May Queen, by Lordly Archer, at \$700. The highest price for a bull was \$600, for the red 3-year-old imp. Nonpareil, bought by Hector Cowan, Jr., Pauline, Iowa. The most of the bulls were young and thin, and were not expected to sell high, but they made fair prices. The average for the 44 females sold was \$448.41; for the 8 bulls, \$278.13. The total of the sale was \$21,955, an average for the 52 animals sold of \$422.22, which is considered a very satisfactory result, in view of the fact that nearly one-third of the young things were in only very moderate condition, owing to the privations of recent importation and quarantine. Col. Carey M. Jones, Davenport, Iowa, as auctioneer, ably conducted the sale, with the valued assistance of Mr. John Smith, M. P. P., Brampton, and Capt. T. E. Robson, M. P. P., Ilderton. There was a very large attendance of breeders and farmers, and a considerable degree of enthusiasm prevailed, congratulations on the success of the sale being freely expressed. It was a very good closing sale for the year and the century in Canada. We give below a list of the animals sold, with prices and buyers:

**The Army of Health.**

**THE ARMY IN THE PHILIPPINES INSIGNIFICANT COMPARED WITH THIS ONE.**

If all the people in the United States, Canada and Great Britain who make daily use of Stuart's Dyspepsia Tablets could be assembled together it would make an army that would outnumber our army of one hundred thousand by at least five to one.

Men and women who are broken down in health are only a part of the thousands who use this popular preparation; the greater number are people who are in fair health, but who know that the way to keep well is to keep the digestion perfect and use Stuart's Tablets as regularly as meal time comes to insure good digestion and proper assimilation of food.

Prevention is always better than cure, and disease can find no foothold if the digestion is kept in good working order by the daily use of Stuart's Dyspepsia Tablets.

Mr. Thomas Seale, Mayfield, Calif., says: "Have used and recommended Stuart's Tablets because there is nothing like them to keep the stomach right."  
Miss Lelia Dively, 4627 Plummer St., Pittsburg, Pa., writes: "I wish everyone to know how grateful I am for Stuart's Dyspepsia Tablets. I suffered for a long time and did not know what ailed me. I lost flesh right along until one day I noticed an advertisement of these tablets and immediately bought a 50-cent box at the drug store. I am only on the second box and am gaining in flesh and color. I have at last found something that has reached my ailment."

From Mrs. Del. Eldred, San Prairie, Wis.: "I was taken dizzy suddenly during the hot weather of the past summer. After ten days of constant dizziness I went to our local physician, who said my liver was torpid and I had oversteered my blood; he doctored me for two weeks without much improvement. I finally thought of Stuart's Dyspepsia Tablets (which I had used long before for various bad feelings), and the first three tablets helped me. "They are easily the best all-round family medicine I ever used."

The army of people who take Stuart's Tablets are mostly people in good health, and who keep well by taking them regularly after meals. They contain no opiates, cocaine or any cathartic or injurious drugs, simply the natural peptones and ingredients which every weak stomach lacks.

Stuart's Dyspepsia Tablets are sold by druggists everywhere in United States, Canada and Great Britain—Advt. om

CHAS. S. CHAPPELL, Aurora, Ont.:—"Your Christmas Advocate to hand. I must say I think the artistic taste displayed is superb. I also note with pleasure the prominence given to stock, the backbone of the farmer's success in Ontario."

Messrs. Alfred Mansell & Co., of Shrewsbury, have received a letter from Mr. George Simonds, of Tasmania, which reads as follows:—"My Shropshire shearing ram, bred by Messrs. Evans, to be known henceforth as 'Austral Star,' arrived by the ss. Paparua on the evening of Oct. 29th, in good order, and it will interest you to know that I am perfectly satisfied with the selection. The other sheep sent with the same vessel turned up in a most healthy condition, reflecting creditably on the arrangements made for the journey."
