

HAY LOADER TALK No. 5

BY THE DAIN FELLOW.

Are you interested in Hay Loaders? Have you been reading our advertisements? Have you sent for a circular? We have something good in the Loader line, and want you to know it.

Farmers who use them say they would give \$25.00 more for the Dain than any other. There are reasons for this. There is the ease with which they are attached to the wagon. They are detached just as easily. You don't have to get off the wagon to do this, and don't have to lift an ounce. You don't have to back the wagon with a ton and a half of hay on either. Then they rake as clean as a sulky rake out of the swath or windrow. Just think, what a saving in hay! And, look, no second rakings! No first rakings, either, if you take it out of the swath. That's a whole lot in the Dain Loader's favor, isn't it? You can raise the rakers off the ground with a crank. You don't tangle or bunch the hay. Our customers tell us that it is easier to load the hay, as it is not so tangled. You don't have to stand and dig the hay away from the back of the load. The Loader pushes the hay away itself. If you want the most convenient machine, and the one which does the best work, the Dain is what you are looking for.

If you want a cheap make-shift, we haven't got it. Get our mailing list by sending for a circular. Do it now.

IS THE BEST

Fork and Sling Carrier

REASONS WHY IT IS THE BEST:

It is a Malleable Carrier, neatly fitted and positive in action. It is an Automatic S-level Carrier, and very easy on the rope. It is efficient in handling either Sling or Fork, and no trouble to change it. It is a Triple Purchase Carrier, when so desired. On account of direct action, it takes less power to lift the load than any other. It can be run into the mow at any desired point. It will unlock without any plunger entering the carrier. It has a leverage brake, and is a very durable carrier. The operator can unlock it whenever he wishes. Because it is very simple in construction, it has no springs to weaken or break. Its simplicity and strength insure certainty of action.

Because of merit, we solicit your patronage.
