

SOMETHING THAT WILL INTEREST EVERY FARMER

NO STABLE IS COMPLETE without a system of overhead tracking in it for handling manure and feed. There is no work about the farm that is so dirty and disagreeable as cleaning out stables, and a litter carrier is no longer a luxury, but an absolute necessity.

The "BT" LITTER CARRIER always pleases, and is built to last a lifetime. It is simple in construction—nothing to get out of order, and the material used in it is the very best.

The "BT" LITTER CARRIER has many excellent features of advantage over other makes, which we would like to tell you about. Our new litter-carrier catalogue has just arrived from the printers, and we will mail you a copy of same on request.
