from the "Special Despatch to Morning Chron- icle."

At 11 o'clock, A.M., by Rev. S. F. Huestis; Early in the last week a vote was taken upon

Sir Francis Hincks moved the House into a Building- The resolution with its long Preamcommittee on his Currency resolutions. He Whereas,—Owing to certain disputes between the Governments of Canada and Nova Scotia in connection with the new Provincial Scotia in Connection with the new Building in Halitax, the latter Government did refuse to give up the possession of said Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of Building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and the building and to hand it over to the Department of the building and to hand it over to the Department of the building and to hand it over to the Department of the building and the building d to hand it over to the Department of here but only Canadian silver works of Canada upon its completion in chance any large amount of British silver on Monday, the 13th inst., in Brunswick Street nie.

At the r sidence of the bride's should be sent to this country it would prove should be sent to the country of American Church; on Tuesday, the 14th inst., in Graf-Medway by the same Jan 11th h April, 1868.

And Whereas,—the act of 32 and 33, Vic., Chap. 2 which provided for an additional subside to Nova Scotia upon the same principle which influenced and governed the Dominion authorities in previously granting an increase of subidy to the Province of New Brunswick, did also provide that until the Government of Nova Scotia should hand over the said Building to the General Government, that Nova Scotia should be debited with interest on the cost of it, thereby settling the dispute fin refer-Scotia should be debited with interest on the cost of it, thereby settling the dispute in reference to the right of possession of said Building in favour of the Dominion authorities; yet as there is no evidence to show that the

yet as there is no evidence to show that the provisions of said Act were intended to extend to any matter beyond the final settlement of subsidy to Nova Scotia and the right of possession of said Building, the said Act therefore left open any dispute as to the question whether open any dispute as to the q estion whether the General Government should reimburse the Government of Nova Scotia for the expenditure made upon the Building after the 1st of July 1867, when the British North America Act came into operation.

1880 Crown. He read the resolution passed by the Nova Scotia Assembly the other day as indicating the feeling of the people of Nova Scotia. If the resolutions were to pass, the first of July would be an inconvenient time for came into operation.

And Whereas,—This view of this question is amply bornefout by the preamble of the said Act, which recites, "Whereas it appears by my argument of the content of the content of the content of the content of the current of the

Act, which recites, "Whereas it appears by message from His Excellency the Govenor-General and the report of the Queen's Privy Council for Canada, approved by His Excellency on the 25th day of January last past, and other documents accompanying the said message, that it is just and expedient to add to the sums payable to to the Province of Nova Scotia with R. N. A. Act of 1867," and by saw its working. Many people in Nova Scotia be satisfied with it in three months, when they saw its working. Many people in Nova Scotia favored it, and, as an instance, he read a letter January 24th, 1869, referring to this subject.

says: 'It is nevertheless Dominion property as much as the railways, portions of which have been constructed in the same interval, and

W. McLeian, who in a letter addressed, to the Hon. Prov. Secretary of Nova Scotia on the 2rd of January, 1870, says: 'As I understand it the Dominion Government will pay the expenditure on the Building subsequent to the 1st July, 1867."

Mr. Howe took the same view, and argued it was absurd for Nova Scotia to have a difference currency from the rest of the Do-

July, 1867."

And Whereas,—In a report of the Committee of the Hoa, the Privy Council approved by His Excellency the Govenor General in Council on the 10th of October, 1870, it is stated for the assimilation was mid-summer, when means of communication were open, so that during the last week, quite a careful exam-"that should the Building be placed in possession of the Dominion Government, it is needless for him"—the Honorable Minister of Finance—"to observe that all accounts between

Mr. Chipman allowed his amendment to stand the Dominion Government and the province of Nova Scotia will be adjusted in accordance of the Lorentz on the resolutions were taken, with Law and Equity"—and a similiar assurwith law and Equity — and a report made by ance being again repeated in a report made by upon it.

Mr. Killam pointed out the necessity of not lected \$91.34 from 46 New Subscribers, ds

the same honorable minister and approved by like authority of the 20th of November last part, there is sufficient evidence that the Dominion Government will arrange in a long transfer of the control of manner becoming its honor and dignity, all the just and legal claims of Nova Scotia in refrom-44 New Subscribers, is entitled to the

the just and legal claims of Nova Scotia in reterence to the Building question.

And Whereas.—The government of Nova Scotia by persisting in carrying out the determination come to upon the 8th of May, 1868. "that the New Provincial Building be held by the Government and remain vacant," has therethe Government and remain vacant, has the respecting fishing by foreign vessels. He provides that vessels, captured for infraction of subscribers, is entitled to the Third Prize; that the Rev. J. Sellers, A. B., of the Marysville Circuit, having collected \$25 from 15 new subscribers, is entitled to the Fourth Prize; and that the Rev. Win. Alcorn, of Carbon Prize and that the Rev. Win. Alcorn, of Paresboro' Circuit, having collected IN THE SENATE, -Hon. Mr. Mitchell intro-Nova Scotia, not only by being debited with interest on the cost of the Building which can interest on the cost of the Building which can
